The absence of any work of the kind in Canada, and the frequent enquiries after the information to be contained therein, is the only apology the Editor has to offer for this effort.

It is intended that this work shall, in the future, be made to fill the place in Canada that the "Bankers' Almanac" and the "Bankers' Directory" supply in England and the United States, respectively.

In order to facilitate the requirements of Bankers and kindred professions, it has been thought best to solicit advertisements, not only of Banks and Bankers, but also of Manufacturers of Bankers' Supplies of all kinds, and with that object in view an Order Form is attached, giving every particular regarding space, price, &c.

The Book will be Royal Octavo and bound in English Cloth, with Title in heavy gold lettering on front cover, and guaranteed to be first-class as regards paper, printing, binding, &c.

It is desirable, therefore, that the orders be sent in as soon as possible, as the number of the first edition shall be governed by the number of orders procured.

N. S. GARLAND, F.S.S.,
Editor.
