FRUIT AND ORNAMENTAL TREES

Now is the time to decide what you are going to plant, and where you are going to get them.

Will it not be better to send direct to an old reliable nursery and be sure of getting the varieties you want, free from San Jose Scale and diseases, than to buy of traveling agents who import trees often infested with these pests, and that you have no certainty of being what you want till they bear, and paying higher prices besides? Send for my catalogue, or send a list of your wants and see what I can do for you. Address,

Having an unusually large stock of trees, vines, bushes and plants, both fruit and ornamental, of our own growing, we are compelled to extend our trade, which has hitherto been chiefly confined to the Niagara District. Having no agents, we have no fancy prices to protect, and so offer at very low rates to be in touch with the times. Price list free on application.

Dealers and Jobbers' orders packed with care and dispatched cheap & than elsewhere. Stock guaranteed free from San Jose Scale. Let us price your wants. We guarantee satisfaction. All Canadian-grown stock.
