

# STAMP MILLS

AND CONCENTRATING MACHINERY

WE contract for the equipment of Complete Mining Plants, including Power Machinery. Stamp Mill Supplies carried in stock, in standard sizes, and of best material and workmanship.

A western mill Supt. writes us:—

"With regard to the Stamp Shoes and Dies, Cams, and Cam Shaft Boxes, they are the best I have ever seen. I would suggest that you hold fast to them without change of any kind."

Write us, if you are in the market for a new mill, if you wish to enlarge your present plant, or if you need supplies, or duplicate parts of any kind. We can design and build a complete plant to suit your location, or fill your smallest order.

## Pumps for Mine Work Triplex Power Pump . . . . .

We are manufacturing headquarters for all classes of Pumping Machinery. We have been in this business for a great many years and have given special attention to the construction of Mine Pumps. We are prepared to quote on Station Pumps; Pumps for bad Mine water; Pumps actuated by Electricity, Compressed Air or Steam; Sinking Pumps or Pumps for any special duty.

Catalogues, Plans and Specifications  
furnished on request.

THE NORTHEY CO.,

We illustrate in this advertisement a typical Pump for Mine Work. This is our Triplex Power Pump, fitted with tight and loose pulleys as shown in cut. It is the regular Triplex type with the three cranks 120 degrees apart; crankshaft and connecting rods are of steel; gears machine-cut from the solid; plungers of brass and all details carefully worked out. This Pump is especially adapted for service with Electricity as the motor power.

Limited, Toronto, Ont.
