NEWMARKET SECOND OCTOBER MEETING.

The Cesarewitch Stakes, a handicap for three-year-olds and upward, two miles, two furlongs and twenty-eight yards, was run for at the Second Newmarket October meeting on Tuesday, 8th inst. The stake closed with 110 subscribers, of which number 49 declared forfeit, and twenty faced the starter. The interesting feature of this rich Autumn Handicap, was the coming in second of Mr. M. H. Sanford's four-year-old

American plan, the horses starting from the same mark. The distance was about a mile and a quarter, and the fastest heat 3:31, which would be about a 2:48 gait. The track must have been very slow from some cause. The Sporting Life gives the following summary of the race:

WOLVERHAMPTON, Sept. 30, 1878.—Trotting Stakes of 21 sovs, for horses of all nations; first horse 21 1/2 seconds, £40; second, £20; the best of five heats all to trot in one heat, and all start from the same mark; entrance, 5 sovs; about one mile and a quarter.

A KIND TRIBUTE.

The following are the resolutions which were passed at a meeting of billiard experts last week, in New York:

"Whereas, it hath pleased Almighty God who doth all in his inscrutable wisdom, suddenly remove from their midst an esteemed friend and long-time companion, B. Cyrille Dion; therefore, be it

"Resolved, That the undersigned here give expression to their heartfelt regrets at his untimely and sudden death in the mid of an honorable career of usefulness, and extend their best sympathy to his family and friends. That they mourn his loss, in much as it leaves a vacant place which will be impossible to fill. It may, perhaps tend to alleviate the grief of his relatives and friends, in that he never gave them cause of sorrow. A genial friend at brother has been wasted from us to his home in the heavens. That these resolutions be neatly engrossed and framed, and sent to the family of our deceased friend."

A NEW SHOT.—Rudolph has discovered a new shot in billiards which he calls the "no resistance" and by means of which he made 1,200 and 700 points on Fr.
