ADVICE TO MOTHERS. - Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as bright as a button. It is very pleasant to taste. It softens the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.
