WHEN YOU GET THERE

You are within from half a minute
to fifteen minutes of 77 hotels, 85
clubs, and 31 theaters. All this,
provided you arrive in the second
city of the world at **Grand Central
Station**, this being the Met-
ropolitan terminus of the **New
York Central**, which is the only
trunk line whose trains enter the
city of New York.

The following remark of an experi-
enced traveler tells the whole story:

"For the excellence of its track, the speed of its
trains, the safety and comfort of its patrons, the
loveliness and variety of its scenery, the number
and importance of its cities, and the uniformly
correct character of its service, the **New York
Central** is not surpassed by any similar institution
on either side of the Atlantic."
