GENTLEMEN—I wish to speak with approval of Simson's Liniment. Having my knee fractured and the cords almost destroyed by a kick from a horse, and after application of various remedies to reduce the pain and soreness I used two bottles of the Liniment, which at every application took effect, and now, after six weeks being laid up I am able to walk as well as ever. I have also used the Liniment with great success in taking the soreness from corns in horses after removing them. Coldbrooke, Nov. 10th, 1898.
