McLANE'S VERMIFUGE.

FLEMING BROS. SOLE PROPRIETORS.

No remedy ever invented has been so successful as the great worm medicine of Dr. McLane, prepared by Fleming Bros. of Pittsburg. All who have used it have been equally astonished and delighted at its wonderful energy and efficacy. To publish all the testimonials in its favor would fill volumes; we must therefore content ourselves with a brief abstract of a few of them. Japhet C. Allen, of Amboy, gave a dose to a child 6 years old, and it brought away 65 worms. He soon after gave another dose to the same child, which brought away 60 more, making 125 worms in about 12 hours. Andrew Downing, of Cranberry township, Venango county, gave his child one tea-spoonful, and she passed 177 worms. Next morning on repetition of the dose, she passed 113 more. Jonathan Houghman, of West Union, Park County Ia. writes that he is unable to supply the demand, as the people in his neighbourhood say, after a trial of the others, that none is equal to Dr. McLane's Vermifuge. Messrs. D. & J. W. Co. of Winchester, Ind., happened last spring to get some of this Vermifuge. After selling a few bottles, the demand became so great for it that their stock was soon exhausted. They state that it has produced the best effect wherever used, and is very popular among the people. Purchasers will be careful to ask for Dr. McLANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of Pittsburg, Pa. All other Vermifuges in comparison are worthless. Dr. McLane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of FLEMING BROS. Sold in Halifax by Wm. Langley and John Naylor.

A most astonishing cure of General Debility.—Mr. Henry Ambrose, of Toronto, was for 13 years an alarming sufferer from General Debility, at night he had the most horrible dreams, when asleep, and when awake, he was low spirited, with thoughts of self destruction, dislike of society, and involuntary blushing, this was the catalogue of his complaints, his friends were constantly alarmed, and in his calmer moments he wished for death to relieve him of his sufferings. As might be expected the best advice from time to time was obtained, but it was utterly unavailing, at last, he was determined to commence the use of Holloway's Pills, which he did; nine weeks perseverance with this celebrated medicine saw him such a man as he had never been before in his life, the bloom of health upon his cheek, and every symptom of his host of disorders completely eradicated.
