

It is not what it costs
but what it will do
that really counts

¶ Why give your patients large doses of a doubtful product, when you can be absolutely certain of the results from small doses of Kasagra.

Kasagra is the Most Economical

Kasagra is the Most Satisfactory

¶ The true tonic Laxative action of definite activity, of Kasagra, differentiates it from all cascara mixtures for the purpose. At fifty the half gallon bottle, it is the best value available.
