IS ADVICE CHEAP?

We think not, for if disinterested it has like every good thing been dearly purchased. A fool may offer, but it requires a wise man to profit by it, and you my reader may offer or except a little, practical advice. Use or tell your friends to use only Putnam's Corn Extractor, for thousands have testified, after a practical test, that it is the only sure, safe and harmless remedy for corns in the world. Sold everywhere, by druggists and dealers in medicines, all over the country. Beware of substitutes.

Powdered starch applied immediately, and allowed to remain several hours, is another recipe for removing fruit stains from table linen.

A HINT.—Ask your druggist, grocer, or shopkeeper, for a bottle of Pain-Killer. If he passes it down without ceremony ask him while extracting the quarter dollar from your wallet, if this is the genuine made by Perry Davis & Son.

A new remedy for the worms which destroy house plants is a number of sulphur matches placed in the flower pots with their heads down.

Horseford's Acid Phosphates.  
TONIC FOR OVERWORKED MEN.

Dr. J. C. Wilson, Philadelphia, Pa., says: "I have used it as a general tonic, and in particular in the debility and dyspepsia of overworked men, with satisfactory results."

At Ashbury Park a near sighted old gentleman mistook a young man's hand for a slice of bread the other day and jabbed his fork half through the hand, which the owner had carelessly rested on the table at dinner.

A gentleman afflicted with the chronic rheumatism says: "No description of my case can convey the vast amount of benefit I have received from the use Johnson's And-dyne Liniment. I believe it is the best article in the world for rheumatism."

It is said that scarcity of water is one of the chief causes of tough beef. Animals fatted in summer on succulent food are more tender than those of the same age and character fatted in winter.

Scott's EMULSION of Pure Cod Liver Oil, with Hypophosphites.—For Anaemia and Marasmus in Children.—Dr. W. D. Gentry, Kansas City, Mo., says: "I have used Scott's Emulsion for years, and for consumption and anemic patients and children with marasmus, have found it very reliable. Have frequently given it when patients could retain nothing else on the stomach."

The black currant has an advantage over the red in never being troubled by worms destroying the leaves. It is a hardy and vigorous grower.

Consumption Cured.

An old physician having had placed in his hands by a returned Medical Missionary, the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Catarrh, Asthma, Bronchitis, etc., after having tested its wonderful curative powers in hundreds of cases, desires to make it known to such as may need it. The Recipe will be sent FREE with full directions for preparing and using. Send 2 cent stamp. Address Dr. W. H. Armstrong, 44 North 4th st., Philadelphia, Pa. (Name this paper.)

If you have a plant house by all means keep everything about it scrupulously clean. Few things are as disgusting as a dirty plant house.

The season has arrived when everybody who own horses, cattle, sheep, hogs, and fowl should begin to feed out Sheridan's Condition Powders. They all need to be braced up for winter. Get Sheridan's. The large packs are worthless.

Cut common brown wrapper paper into pieces four inches square and wrap around plants when planting. It will defend them from cut-worms.

Puttner's Emulsion.

CONSTITUTIONAL CATARRH CURED.

I have had occasion during the past two years to use, in my family, the medicine generally known as "PUTTNER'S EMULSION OF COD LIVER OIL, &c."

Our baby up to the age of four months was so ill and emaciated with constitutional catarrh, as to give no hopes of her recovery, at which time we began to administer the Emulsion, and continued with small doses for a year. She is now two years old, quite active and vigorous, talks and runs, has cut most of her teeth, had the measles, and is cured of Catarrh.

Other members, old and young, of the family, have taken the medicine for different diseases, and it has done good in every instance.

I consider it effective for the cure of coughs, general debility, and any disease that can be cured by building up the system.

I have freely recommended its use; and its beneficial effects have been reported to me by many of my acquaintances who have been induced to give it a trial.

I consider it as far in advance of pure Cod Liver Oil, as the "Oil" years ago was in advance of the old method of treating Consumption. Yours truly,

J. PARSONS,  
Attorney and Barrister.
