A CONSUMPTIVE CURED.
When death was hourly expected from CONSUMPT-
ION, all remedies having failed, accident led to a
discovery whereby Dr. H. James cured his only child
with a preparation of Cannabis Indica. He now gives
this recipe free on receipt of two stamps to pay ex-
penses. There is not a single symptom of consump-
tion that it does not dissipate—Night Sweats, Irrita-
tion of the Nerves, Difficult Expectoration, Sharp
Pains in the Lungs, Nausea at the Stomach, Inaction
of the Bowels, and Wasting of the Muscles. Ad-

CERTIFICATE.
I HEREBY certify that Mr. Patrick Coughlan, of
Buckingham, P.Q., has cured me of Scoury which I
have had for five years. I tried different medical
men, and also patented medicines, and found none
that could cure me. I have taken 58 bottles of
Sarsaparilla and found no change for the better;
nothing took effect but Mr. Coughlan's remedies
administered by himself. I tried also Mrs. McGuir-
dan, an Indian woman, but found no relief.
I do recommend those afflicted with Scoury or
Salt-Rheum to try Mr. Coughlan's remedy and they
will soon find relief.

Shares \$100 00 payable ten per cent quarterly.—
Dividends of nine or ten per cent can be expected
by Permanent Shareholders; the demand for money
at high rates equivalent by compound interest to 14
or 16 per cent, has been so great that up to this the
Society has been unable to supply all applicants,
and that the Directors, in order to procure more
funds, have deemed it profitable to establish the fol-
lowing rates in the
SAVINGS DEPARTMENT:

As the Society lends only on Real Estate of the
very best description, it offers the best of security to
investors at short or long dates.
In the Appropriation Department, Books are now
selling at \$10 premium.
In the Permanent Department Shares are now at
par; the dividends, judging from the business done
up to date, shall send the Stock up to a premium,
thus giving to Investors more profit than if they in-
vested in Bank Stock.

DE LA SALLE INSTITUTE.

Nos. 18, 20 & 22 Duke Street,
TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS
This thoroughly Commercial Establishment is un-
der the distinguished patronage of His Grace, the
Archbishop, and the Rev. Clergy of the City.
Having long felt the necessity of a Boarding
School in the city, the Christian Brothers have been
untiring in their efforts to procure a favorable sit-
ing whereon to build; they have now the satisfaction to
inform their patrons and the public that such a
place has been selected, combining advantages rarely
met with.

The Institution, hitherto known as the "Bank of
Upper Canada," has been purchased with this view
and is fitted up in a style which cannot fail to render
it a favorite resort to students. The spacious
building of the Bank—now adapted to educational
purposes—the ample and well-devised play grounds
and the ever-refreshing breezes from great Ontario
all concur in making "De La Salle Institute" what-
ever its directors could claim for it, or any of its
patrons desire.

The Class-rooms, study-halls, dormitory and re-
fectory, are on a scale equal to any in the country.
With greater facilities than heretofore, the Chris-
tian Brothers will now be better able to promote the
physical, moral and intellectual development of its
students committed to their care.

The system of government is mild and paternal
yet firm in enforcing the observance of established
discipline.
No student will be retained whose manners and
morals are not satisfactory: students of all denomi-
nations are admitted.

The Academic Year commences on the first Mon-
day in September, and ends in the beginning of
July.

Ayer's
Sarsaparilla

Is widely known
as one of the most
effective remedies
ever discovered for
cleansing the sys-
tem and purifying
the blood. It has
stood the test of
years, with a con-
stantly growing rep-
utation, based on its
intrinsic virtues, and sustained by its re-
markable cures. So mild as to be safe and
beneficial to children, and yet so searching
as to effectually purge out the great cor-
ruptions of the blood, such as the scrofulous
and syphilitic contamination. Impurities,
or diseases that have lurked in the system
for years, soon yield to this powerful anti-
dote, and disappear. Hence its wonderful
cures, many of which are publicly known,
of Scrofula, and all scrofulous diseases,
Ulcers, Eruptions, and eruptive dis-
orders of the skin, Tumors, Blisters,
Boils, Pimples, Pustules, Sores, St.
Anthony's Fire, Rose or Erysipe-
las, Tetter, Salt Rheum, Scald
Head, Ringworm, and internal Ul-
cerations of the Uterus, Stomach,
and Liver. It also cures other com-
plaints, to which it would not seem espe-
cially adapted, such as Dropsy, Dyspep-
sia, Fits, Neuralgia, Heart Disease,
Female Weakness, Debility, and
Leucorrhoea, when they are manifesta-
tions of the scrofulous poisons.

It is an excellent restorer of health and
strength in the Spring. By renewing the
appetite and vigor of the digestive organs,
it dissipates the depression and listless lan-
guor of the season. Even where no disorder
appears, people feel better, and live longer,
for cleansing the blood. The system moves
on with renewed vigor and a new lease of
life.

QUACKS CONFOUNDED.

Rheumatism and Gout have heretofore been con-
sidered by the ordinary practicing physicians as in-
curable diseases, and the query has often been pro-
pounded, of what benefit to the helpless sufferer is
all their pretended science; and what doth it avail,
—their long and tedious course of study—if they
are obliged to acknowledge that all their resources
are to no account when called upon to prescribe for
a patient suffering from chronic rheumatism. The
great trouble lies in the fact that the mode of in-
vestigation is prescribed within certain boundaries
and limitations compelling the student to tread in
certain well-worn paths, or suffer disgrace and ex-
communication from that highly respectable order
of mortals known as the Medical Faculty. How often
genius has been curbed in its flights of investigation
can easily be imagined. And often really grand
and beneficial discoveries have been placed under
the ban of censure by those self-constituted censors,
for no reason whatever, but that they are innovations
upon a stereotyped and time honored prescription.
It was not so, however, with the proprietor of the

Diamond Rheumatic Cure,

for his high standing in the profession, and the
learning and science of an able mind, quickly com-
pelled the censors to succumb, and now physicians
generally, all over the world, where this medicine
is introduced, admit of its wonderful efficacy, and
often prescribe it for their patients. Of course the
use of the DIAMOND RHEUMATIC CURE, with-
out the aid of a physician, is a saving in fees to the
sufferer, but the really conscientious physician
should rejoice at this, for the reason of the general
benefits arising to mankind from its use.

DEAR WHAT THE PEOPLE SAY.
MONTREAL, 21st March, 1871.

Messrs. DEVINS & BOLTON:
Dear Sir—I with pleasure concede to the Agents
wish that I give my endorsement to the immediate
relief I experienced from a few doses of Dr. Miller's
Diamond Rheumatic Cure, having been a sufferer
from the effects of Rheumatism, I am now after tak-
ing two bottles of this medicine, entirely free from
pain. You are at liberty to use this letter, if you
deem it advisable to do so.

I am, Sir, yours respectfully,
JOHN HELDER ISAACSON, N.P.
MONTREAL, 17th March, 1874.

Messrs. DEVINS & BOLTON:
Gentlemen—I have suffered much with rheumat-
ism, so much so that I was obliged to stay at home
a certain time. I heard Mr. O'Neil, of the St. Law-
rence Hall, speaking of your remedy. I asked him
to get me a bottle immediately, which he did with
great kindness. To my great surprise that bottle
has cured me entirely, and I never felt better in my
life. I attribute the use of my limbs to the "Dia-
mond Rheumatic Cure."

JAMES GALLAGHER,
58 Huron Street, Corner of Hermine.
A BLESSING TO THE POLICE.
MONTREAL, 18th June, 1874.

DEVINS & BOLTON:
Gentlemen—Having been one of the many mar-
tyrs of rheumatism that I meet on my every day
rounds, I was induced to try the celebrated DIA-
MOND RHEUMATIC CURE. I had suffered the
last five or six weeks the most terrible acute pains
across my loins and back, so severe indeed that I
could hardly walk with the help of a stick. I com-
menced the Diamond remedy, following the direc-
tions carefully,—relief came immediately with the
first bottle; improved rapidly with the second, and
completely cured and free from pain after finishing
my fifth small bottle. You are at perfect liberty
either to refer to me privately or publicly, as I feel
very thankful for the relief, and sympathize with my
fellow-sufferers from Rheumatism.

Yours respectfully,
J. B. CORDINOE,
Sanitary Police Officer,
61 Bellisle Street.

FURTHER PROOF.
Toronto, March 30, 1874.

Dear Sir—After suffering for the past two years
with Rheumatism, I can truly say that, after using
two bottles of the DIAMOND RHEUMATIC CURE,
I find myself free from that terrible disease. I have
used all kinds of remedies and Doctor's prescrip-
tions without end, but your simple remedy surpasses
all. The effect upon me was like magic. I take
great pleasure in recommending your medicine to
all.

I remain,
MARGARET CONROY,
127 Sumach Street.

This medicine is prepared by a careful experienced
and conscientious physician in obedience to the desire
of numberless friends in the profession, in the trade
and among the people. Every bottle is warranted
to contain the full strength of the medicine in its
highest state of purity and development, and is
superior to any medicine ever compounded for this
terrible complaint.

In simple cases sometimes one or two doses suf-
fice. In the most chronic case it is sure to give
way by the use of two or three bottles. By this
efficient and simple remedy hundreds of dollars are
saved to those who can least afford to throw it away,
as surely it is by the purchase of useless prescrip-
tions.

This medicine is for sale at all druggists through-
out the Province. If it happens that your Druggist
has not got it in stock, ask him to send for it to
