Live Stock Market for Last Week.

There were about 550 head of butchers' cattle, 600 sheep and lambs, 80 calves and 25 lean hogs and young pigs offered at the East End Abattoir to-day. The butchers were present in large numbers, and trade was fair with scarcely any variation in prices since Thursday. Pretty good cattle sold at about 4c per lb., and a few of the best at 4½c do., but there no prime cattle on the market.

Common dry cows and thrifty young stock sold at from 3c to 3½c and leanish heasts at from 2½c to 2¾ per lb. There was a good demand and somewhat higher prices paid for calves to-day, prices ranging from \$8 to \$10 each. There are no changes to note in the prices of mutton critters, sheep selling at about 3c per lb. and good lambs at about 4½c do. Fat

hogs continue to sell at about 6½c per lb. and store hogs at about \$6 to \$12 each. Several well bred young pigs about ten weeks old were sold at \$6.50 each.

Failures.

According to Bradstreet's there were 27 business failures reported from Canada last week, against 30 the previous week, 29 a year ago and 23 two years ago.

Rev. Father Twomey's pilgrimage from Morrisburg, Ont., and points west and east, arrived Tuesday, 12th inst., at 8.40 p.m., making good time per G.T.R. Rev. Frs. Masterson, McDonald and Quinn were amongst the rev. clergy. Through the kindness of Mr. Quinn, copies of THE TRUE WITNESS and The Sunbeam were distributed amongst the pilgrims by J. McDermott. The departure for Ste. Anne de Beaupre was made at 9.50 p.m.

Cote Des Neige, Montreal, Canada

[For Boys From 5 to 12.]

This institution directed by the Religious of the Holy Cross, occupies one of the most beautiful and salubrious sites in Canada. It was founded for giving a Christian education to boys between the ages of five and twelve years. They receive here all the care and attention to which they are accustomed in their respective families, and prepare for the classical or commercial course. The French and English languages are taught with equal care by masters of both origins. Boys are received for vacation.

HOLLOWAY'S OINTMENT AND PILLS.—For bad legs, bad breasts, scrofulous and scrofulous sores this is a genuine specific. The grateful and earnest gratitude of thousands who have experienced its unrivalled power over these complaints, and who have been raised from prostrate helplessness and a condition loathsome to themselves and others, renders it quite unnecessary to enlarge in this place upon its extraordinary virtues. The parts affected should be bathed with lukewarm water, and when the pores are thereby opened the Ointment should be well rubbed in, at least twice a day. It is always advisable to take Holloway's Pills in these disorders, as this much assists the Ointment's action. The Pills check the fever, purify the blood, and effect all morbid matter engendered by these diseases.
