Mercantile Summary.

A. B. REED, a Montreal druggist, has gone
into insolvency, owing about \$2,600.

MESSRS. H. & J. RUSSELL, iron merchants in
Montreal, have dissolved partnership and the
business will be liquidated.

SAMPLES of new season's Japan teas have
been shown in the city and are pronounced
very fine. Stocks will shortly be placed on
this market.

E. DALLAIRE, of St. Germaine, Que., who
began store business in a small way only about
eighteen months ago, is reported failed.—S.
J. McDonald, a baker at Lennoxville for about
the same length of time, has also failed with
small liabilities.

MEDERIC LEFEBVRE, a general dealer of La-
prairie, Que., has been served with a demand
of assignment. He began business several
years ago with a fair capital, but has always
had the reputation of being very dilatory in
settlement. He owes \$6,177, some \$2,500 of
which is due to one house.

A VALUABLE discovery of anthracite coal has
been made at Cheticamp, Cape Breton, and
on trial is said to have proved of excellent
quality. One hundred barrels has been sent to
England for analysis, and if it turns out as ex-
pected the mine will be at once developed to its
fullest extent.

A DEMAND of assignment has been served up-
on N. Trahan, an old-time merchant of Nico-
let, Que., whose record however has been of
rather variegated pattern. He failed first in
1861, and subsequently formed the firm of Tra-
han, Fontaine & Co., who failed in 1876, and
dissolved. Continuing business under various
covers, he again got into trouble in 1882, com-
promising at 25 per cent. Figures of present
failure are not yet attainable.
