Mercantile Summary.

ST. JOHNS Quebec, is going to have a meat company.

THE widely known firm of Chas. Alexander & Sons, wholesale confectioners in Montreal have dissolved,

W. H. CLUFF a livery stable keeper of Ottawa assigned some days ago with liabilities of \$13,000.

NEWBURG, Ont., has exempted the paper mill there for five years from half the amount of the taxes upon it.

ADVICES from the Magdalen Islands to 29th ult., report the herring fishery as ending unfavorably for the fishermen. All the fleet have returned home with light fares. Fish were abundant; but the continual northeast gales prevented the hauling of seines. Neither codfish or mackerel have yet struck on the inshore banks. Sealing vessels have all returned with pretty good fares.

WITHIN the past week two firms doing business in Sherbrooke have failed. Messrs. Deseve Bros., two young storekeepers of good record, but more ambition than capital, have almost within a year from starting become insolvent, with liabilities of five or six thousand dollars. Also Messrs. Coderre & Boucher, who had a run of some years as tinsmiths and did well, but branched out into a general hardware trade which we fear they have not been able to manage properly. They did a large business, and it was no small surprise to many to hear of their failure. The liabilities will amount to about \$10,000, almost entirely in Montreal. They offer a composition of forty cents in the dollar, which is not yet accepted.
