E. NORTH'S PORTLAND CEMENT, CONCRETE, STONE CULVERT and SEWER PIPES are made from materials that improve with age—in the ground and in the water. These pipes extract the minerals from the water and the gases from the air, closing the pores of the pipe and becoming more dense, the color changing to that of iron, and ringing like metal. The longer they remain in the ground the greater their strength becomes, eventually becoming as hard as stone. They are considered by the leading men of Western Ontario to be superior to anything now in the market for culvert or sewer purposes. The townships using them find their work finished as they go. The work done permanent, and will relieve them of the liability of law costs arising from damages caused by perishable culverts, etc.

AT THE WESTERN FAIR, 1892. THE CONCRETE, CULVERT AND SEWER PIPE EXHIBIT WAS AWARDED SILVER MEDAL.

Be Your Own Lawyer...

—or, Treasures of the Law Office.

GIVING IN CONDENSED FORM THE GENERAL BUSINESS LAWS OF CANADA

The technical points and main features of the law, with hundreds of hints, cautions, warnings and suggestions, together with all the important legal and business documents—forming a work of ready reference for magistrates, bankers, professional and business men, land-owners, tenants, builders, contractors, etc.

The legal forms are all filled out in detail—signed and even sealed—thus serving as models, which any person can follow.

It is not a rehash of old laws and general legal principles, but it is detailed; every page crowded with vital law points—a reliable epitome of existing laws as they are in Canada to-day.

IT IS A REFERENCE BOOK.

In the thousand and one things in every-day life that men need light upon as to their legal rights, the information can almost invariably be found in this work as clearly stated as any lawyer could give it.

From the copious index in the back part of the book, the law point needed can be immediately turned up and consulted.

TO BE PERMANENTLY RELIABLE.

If those purchasing "Be Your Own Lawyer" will forward by post-card their name and post-office address to the publisher, whose name

stands on the title page of the book, to be entered in a register, they can each year, about the first of June, for a small fee, obtain printed sheets giving the new legislation and whatever changes (if any) may have been made affecting any point in the book, thus keeping it

ALWAYS UP-TO-DATE.

It is the cheapest law book published in Canada and the only one that is an exhaustive summary of the vital law points and absolutely reliable.

It is printed in clear type, on heavy paper, a large quarto octavo page, substantially bound in dark green cloth and sold at the remarkably low price of \$1.50.
