

FIRST SESSION OF THE FRENCH LEAGUE OF MENTAL
HYGIENE

The first session of the French League of Mental Prophylaxis and Hygiene was held in Paris, June 1. Addresses were delivered by the president, Dr. Toulouse, and by Justin Godart who defended the right of the insane to support by the government; by Prof. Jean Lepine, who requested the creation of dispensaries for psychopathic patients, and by Dr. F. Williams, director in France of the Rockefeller Foundation. Requests for admittance to membership in this organization should be addressed to the Secretary, Dr. Genil-Perrin, Avenue de la Bourdonnais 99, Paris, 7th arrt.
