

"A" team and "B" team. "A" team played their first match of the season against the R.A.F. at Richmond, when they were unfortunately beaten by 6 goals to 5. Having witnessed this match I must say that our boys gave their opponents a real good game, taking into consideration the fact that this was the first time the team had played together.

They then entered the C.M.A.A. League, London Area, and have played various games up to date, and, if not meeting with a great deal of success, have the consolation of having obtained lots of good sport and exercise. They are fortunate in having as their Captain, that great sportsman S/Sgt. F. Marshall.

Our second team have met with more success, but space will not allow to go into details. It is sufficient to say that those in the office who have taken up "England's National game" are enjoying it.

The above is only a very brief synopsis of what our sportsmen and athletes have done, for a large number of men from this office took part in the various C.M.A.A. Sports' Meetings, at Norbury, and other places, but it may give a sufficient idea of the "sporting instinct" under difficult circumstances which prevails, and has prevailed in this office.
