

to relocate the said pipelines to facilitate the construction, reconstruction or relocation of any work provided, however, that the cost of relocating the said pipelines shall be borne by the Government of British Columbia, such costs to be determined by the Minister of Public Works of British Columbia, and provided further that such relocation will not unreasonably interfere with or impede essential military operations or maintenance of the pipeline.

(14) The Minister of Public Works of British Columbia may at any time direct and require the Government of Canada, its licensees or grantee, to permit construction upon, along or across the pipelines, of any highway, private road, railway, irrigation ditch, drain, telegraph, telephone or electric power line or any pipeline provided such construction will not unreasonably interfere with or impede essential military operations or maintenance of the pipelines.

(15) The Minister of Lands and Forests of British Columbia, or any person authorized by him, may at all reasonable times, until the administration, control and benefit of the said lands are retransferred to the Government of British Columbia, enter upon the said lands to determine that the provisions and restrictions herein before set forth are being fully complied with.

The undersigned further has the honour to recommend that the Order-in-Council of October 7, 1952, purporting to grant a right-of-way easement to Her Majesty in right of Canada under section seventy-one of the "Lands Act" be revoked and that a certified copy of the Minute, if approved, be forwarded to the Registrar, Land Registry Office, Prince Rupert, British Columbia, and the Minister of Resources and Development of Canada.
