the only people who do not make mistakes are those who do nothing at all it may be that the Americans are doing so much that they are making mistakes. It may be that we are making mistakes but we are not making mistakes because we want to.

QUESTION: Our Government has been saying that we do not think QUESTION: Do you feel in this particular case they can be making a mistake? not against us?

ANSWER: and I do know I think it would be a mistake for me to try to recommend to my Parliament that we extend Visitin book military aid because they would say we have gone beonivnos majust as far as we possibly could with the comolidag neolimitments that have already been made and that would go along if it was proposed to extend military aid to any nation directed against India.

Is the impression in America, right or wrong, QUESTION: that Mr. Nehru is an unfriendly type?

that a country ANSWER: I do not think there is an impression in America

Questioner: I am not referringenetets a Milam . IM don't do anything who do not make

Mr. St. Laurent: dw. . . . there may be some in the United States but I do not think that would be the impression of any substantial portion of the American public. I know that there is in America high admiration for Mr. Nehru and for what he has been able to do and I know that there are Americans noisse igni who deplore, as I deplore, that there were un-early fortunate comments for instance about the way
the prisoner-of-war situation was handled in Korea.
