

## ARTICLE XIX

1. In a spirit of close co-operation, the aeronautical authorities of the Contracting Parties shall consult each other from time to time with a view to ensuring the implementation of, and satisfactory compliance with, the provisions of this Agreement and of its Annex.

2. Such consultations shall begin within a period of sixty (60) days of the date of receipt of such a request, unless otherwise agreed.

## ARTICLE XX

If either of the Contracting Parties considers it desirable to modify any provisions of this Agreement, it may request consultations with the other Contracting Party. Such consultations, which may be between aeronautical authorities and which may be through discussion or by correspondence, shall begin within a period of sixty (60) days from the date of the request. Any modification agreed pursuant to such consultations shall come into force when it has been confirmed by an Exchange of Notes.

## ARTICLE XXI

If any dispute arises between the Consulting Parties relating to the interpretation or application of this Agreement, the Contracting Parties shall endeavour to settle it by consultation. Such consultations shall commence as soon as practicable but in any event not later than sixty (60) days from the date of receipt of the request for consultations, unless otherwise agreed by the Contracting Parties. Failure to reach a satisfactory settlement within a further ninety (90) days shall constitute grounds for the application of Article VI of this Agreement, unless otherwise agreed by the Contracting Parties.

## ARTICLE XXII

Either Contracting Party may at any time from the entry into force of this Agreement give notice in writing through diplomatic channels to the other Contracting Party of its decision to terminate this Agreement: such notice shall be communicated simultaneously to the International Civil Aviation Organization. The Agreement shall terminate one (1) year after the date of receipt of the notice by the other Contracting Party, unless the notice to terminate is withdrawn by mutual consent before the expiry of this period. In the absence of acknowledgement of receipt by the other Contracting Party, the notice shall be deemed to have been received fourteen (14) days after the receipt of the notice by the International Civil Aviation Organization.
