EXCHANGE OF NOTES BETWEEN CANADA AND THE UNITED STATES OF
AMERICA CONCERNING THE SEASONAL MOVEMENT BETWEEN THE TWO
COUNTRIES OF WOODS WORKERS

I

*The Secretary of State for External Affairs to the Ambassador of the United
States of America to Canada*

DEPARTMENT OF EXTERNAL AFFAIRS

Ottawa, October 23, 1958.

Dear Mr. Merchant:

By an annual exchange of letters our Governments have indicated their willingness to renew from year to year the arrangement first made in 1942* for the exchange of harvesting machinery and crews and other farm labour between our two countries. In the past this arrangement has, by common agreement, covered woods workers as well as agricultural labourers.

It is now proposed that separate arrangements be made to cover woods workers.

Accordingly, the Canadian Government proposes that this letter and your reply be considered as an agreement, renewable from year to year, to extend to woods workers the arrangements which have been in effect since 1942 for the exchange of agricultural workers, that the details of the movement of these woods workers from one country to the other be arranged by the Canadian and United States officials directly concerned and that, further, these arrangements shall apply to woods workers during the year 1958.

Yours sincerely,

S. E. SMITH.

His Excellency Livingston T. Merchant,
Ambassador of the United States of America,
100 Wellington Street,
Ottawa, Ontario.
