

(b) the location of the minefield or booby-trapped area should be specified by relation to the coordinates of a single reference point and by the estimated dimensions of the area containing mines and booby traps in relation to that single reference point.

2. With regard to other minefields, mines and booby traps laid or placed in position:

In so far as possible, the relevant information specified in paragraph 1 above should be recorded so as to enable the areas containing minefields, mines and booby traps to be identified.
