

NØRTEL

Dramatic changes are reshaping the communications industry. One company is at the forefront of change. Northern Telecom.

Around the globe, customers rely on us to design, build, and integrate the world's most advanced digital communications networks for information, entertainment, and communications.

For the 57,000 employees of Northern Telecom, 1995 is an historic year.

It's our 100th anniversary. For a century we have been helping our customers bring people together through communications.

To mark the occasion we are introducing this new logo – a graphic expression of our worldwide presence and commitment to innovation.
