McGILL UNIVERSITY.
FACULTY of MEDICINE.

12th April, 1928.

J. R. Armstrong, Esq., M.D.
443, Clarence Street,
London, Ontario.

My dear Dr. Armstrong,

I am extremely honoured by your kind invitation to be present at the presentation of the portrait to Dr. Waugh, and I cannot tell you how much I regret my inability to avail myself of this privilege. Dr. Waugh stands so high in the estimation of all graduates of McGill who know him that it would have been an additional opportunity for me to have expressed our appreciation of his work and reputation.

I have just returned from a five weeks' holiday, and am obliged to attend a Medical Congress in Washington at the end of the month; work has accumulated to such an extent that I really cannot get away in the interval.

Please present my congratulations to Dr. Waugh and to the Medical School of the University of Western Ontario, as also my best wishes for the success of their campaign.

Very cordially yours,

(Signed) C. F. Martin,

Dean.
