

ADVERTISEMENTS.

Wicket-Keeping Gauntlets—These Gloves are the best manufactured, both for quality of material and workmanship, and improvement has been made in the padding and ventilation.

Leg Guards—Since long scores have become the order of the day, our attention has been devoted to producing the lightest and most comfortable Leg Guards that can give perfect protection to the player. They are stuffed with doe hair, and made of the best material throughout, and have given satisfaction to some of the most celebrated players.

Cricket Shoes—We make a large variety. Those most in demand are:—White and Chocolate Canvas; Grained Calf Oxfords; Superior Russet Calf Balmorals; Brass spikes with screws and forged steel do.

Belts and Caps—We have a large assortment of new patterns for the present season.

Scoring Books and Sheets—Feltham & Co.'s Improved Scoring Books, with Analysis of Bowling, bound in plain and cloth and gold covers.

Bat Covers—Baise, Macintosh, and Leather.

Cricket Bags—Same as used by the American and Australian Elevens. These bags can be used for Cricketing, Shooting, or Fishing Excursions, there being room for everything a sportsman requires. They are in use by all the gentleman and professional players. They can be had in carpet or leather.

Cricket Nets and Poles—Strong well-made nets, 6 yds. long by 2 yds. high, complete with poles, ropes and pegging. Size or shape made to order.

Telegraph Boards—For showing the state of the poll on the fall of each wicket.

Tape Measures—In leather cases, 22 yds. long, warranted not to stretch; also steel chain measures.

Fencing Foils—Best Solingen blades. A large assortment always kept in stock.

Fencing Masks—The best London make, in various shapes and sizes.

Fencing Pads and Jackets—With one or two sleeves.
