

	PAGE
Gravel plains and terraces	106
Petrographical section	107-134
Petrography of the nickel eruptive	107
The Murray mine section	103
The Onaping section	109
Other norites of the Southern range	111
The Creighton norites	111
Norite of the offsets	114
Variations of the acid edge	115
General character of the nickel eruptive	115
Older norite and lavas	118
Norite of the interior basin	121
Peridotite	121
Laccolithic norite southeast of Sudbury	121
Granites associated with the nickel eruptive	123
Granite from dikes	124
Diabase	125
Petrography of the sedimentary rocks	127
Lower Huronian sediments	127
Graywacké	128
Graywacké conglomerate	129
The Trout lake conglomerate	129
The Onaping tuff	131
The Onwatin slate	133
The Chelmsford sandstone	133
Development of the nickel field	134-166
Railways	136
The Canadian Copper Co.	136
Smelting operations	139
H. H. Vivian & Co.	141
Dominion Mining Co.	142
Mond Nickel Co.	142
Lake Superior Power Co.	143
Other companies	144
Other nickel regions	145
United States nickel deposits	146
European nickel deposits	146
New Caledonia	147
Types of Nickel ores and deposits	150
Distribution of metals in the Sudbury ores	151

	PAGE
Matte analyses	152
The precious metals	153
Statistics of nickel production	154
Sudbury district	154
Statistics of other countries	156
New Caledonia	157
World's production of nickel	157
Minerals of the Sudbury nickel district	158
Pyrrhotite	158
Pyrite	158
Marcasite	158
Pentlandite	159
Millerite	159
Polydymite	159
Nickelite, or niccolite	159
Gersdorffite	160
Chalcopyrite	160
Bornite	161
Molybdenite	161
Galena	161
Sperrylite	161
Magnetite and titaniferous iron ore	162
Cassiterite	162
Native metals	162
Gossan minerals	163
Gangue minerals	163
Uses of nickel	163
Nickel steel	164
Appendix—Nickel and Nickel steel	167
Nickel and yellow fever	168
Opening the Sudbury field	169
Discovering the nickel	170
The International Nickel Company	172
Mr. Gamgee's recollections	173
Sir Charles Tupper's report	174
Cost of producing matte in 1889	179
Mr. McArthur's estimate of costs	180
Approximate mining costs	181
Mining and rock house plant	181
Roast yard expense for 600 tons daily	182
Cost of smelting 600 tons daily	182
Fuel cost	182
Smelter machinery	182
