MORTIMER'S

Infallible Remedy for

CHOLERA, DIARRHŒA & BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolff, of this city, now residing in the United States:

"Find out if the express charges are too high, and if not arrange with Mortimer to let you have a box of the bottles of **Cholera Mixture**. I could make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera: one on board the boat and the other in Berlin, United States. Both commenced with Diarrhœa, then dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right or nearly so. She was very grateful. I have now only a little left."

 This excellent mixture, which should be in every family, is only

25 CENTS A BOTTLE.
