**WEIR (Dr.) — The Civil Code of Lower Canada and the
Bills of Exchange Act 1890.**

With all statutory amendments verified, collated and indexed. By ROBERT STANLEY WEIR, D.C.L., Advocate of the Montreal Bar. 1800. Royal 32, cloth. *Can.* 2 00

NOTE : — It is certainly the most accurate English pocket edition yet published.

NEW FEATURES to which we specially call the attention of the public is, that contrary to all other codes published so far, this edition contains a concordance of references of the different articles to the same code, or, with the Code of Civil Procedure and the Code Napoleon, to be found at the foot of each article, will prove, it is hoped, of special advantage and considerable value. The index which completes the Code, is alphabetical and analytical and is very complete.

**WEIR (Dr.) — Code of Civil Procedure of the Province of
Quebec.**

Promulgated 1st September 1897, with statutory amendments verified, collated, containing a concordance of the different articles to the same code, and the authorities as reported by the Commissioners, also in appendix the Report of the Commissioners, the Rules of Practice, the Tariff of fees, and a general index. By R. S. WEIR, D.C.L., Recorder of the City of Montreal. 1 royal 32, 1900. Cloth. *Can.* 3 00

NEW FEATURES : — This work is to supply the lack of an accurate and convenient working Code of Procedure. In general appearance and arrangement it will be found to resemble the author's edition of the Civil Code, so cordially received by the Bar. The text will be clearly printed in double columns without commentary. After each article is placed the corresponding article in the former Code, and the remaining references are confined to all the relevant articles in the Code of Procedure itself, and those in the Civil Code. The practical advantages of a concordance of this kind will be at once apparent.

The Rules of Practice will be placed in the appendix, and a copious index are also features of the work.
