### MOTOR SHOW IN ARMORIES

Event Will Take on Military Air-  
Motor Trucks a Feature.

E. M. Wilcox, manager of the coming  
automobile show in Toronto, Feb. 21  
to 25, has been notified that the official  
sanction for use of the armories has  
been granted by the militia department  
for dates as above.

Since the announcement of the show,  
a great interest has been shown by  
exhibitors and indications are that the  
show will probably be the best yet  
greater than last year. This applies  
principally to firms showing automob-  
iles, including Canadian manufac-  
turers.

In the same way as the horse show  
has its military aspect from the cavalry  
standpoint, the automobile show will  
have distinct military features, par-  
ticularly from the transport end. Dur-  
ing the past year there has been an  
important development in the use of  
motor cars for military purposes, espe-  
cially in European countries.

The militia department in Ottawa also  
is actively interested in motor trans-  
ports, and conducted experiments with  
motor trucks during the past year.

statements by the defendant.

**White Star S. S. "Olympic."**  
The Board of Directors of the Canadian  
National Exhibition have awarded  
the White Star Line a handsome  
gold medal for the exhibit of the  
model of the S. S. "Olympic."

The "Olympic" is the largest steam-  
er in the world, being 45,000 tons, and  
the model, which was greatly admired  
by all visitors to the Transportation  
Building, is the largest ever displayed  
in America and was brought from Eng-  
land specially for the Canadian Na-  
tional Exhibition.

**Churchmen at Opening.**  
Dr. MacKay, moderator of the Pres-  
byterian General Assembly, arrived yes-  
terday from the west, and left imme-  
diately for Ottawa, where he will at-  
tend the opening session of the Domini-  
can Parliament. The opening of other  
church denominations will also be in  
attendance at the first session of the  
new body of law makers.

**Hunting Hardships.**  
"Serve the champagne in the cups,  
James," directed the owner of the  
hunting lodge.  
"Very good, sir."  
These hunting parties always like to  
finish with a trifle.—Louisville Courier-  
Journal.
