BILLY BURK'S FREE-FOR-ALL

Closing Day of Grand Circuit at Detroit — Only One Extra Heat Required.

DETROIT, July 26.—Nothing sensational developed this afternoon during the final day's racing of the Grand Circuit meet. Two of the events on the card were won in straight heats, while one extra heat was required to decide each of the other two. The 200 pace, last of the program, furnished the best sport of the day. In the first heat George Penn led around to the distance stand, when Babe, coming with a rush, passed him in the last few yards and won by a safe margin. Molly Darling, Walter J. and Forest Prince were noses apart, a length back of the leaders. Babe led in the second heat until Molly Darling caught her a hundred yards from the end and beat her a half-length at the wire. The next time out Babe shot out of the bunch half way down the stretch and won, slowing down. The free-for-all was a victory in the 2:15, drawing away from the field when ready and taking all three heats.

In the first heat of the 2:15 pace, our Colonel went out in front and was never headed, although the field was well bunched close behind him. Clara Paul took the next three with ease. The free-for-all trot was little more than a procession, Billy Burk winning the two heats in hollow fashion. Gold Dollar broke badly at the first word, ran nearly to the far turn and was far back of the distance flag.
