The fact that the date for putting the measure in force was many months ahead may have en-abled it to get thru the stages that made it law more easily than otherwise would have been the case. The opposition to the principle involved has been steadily growing and West Indian Kills His Wife has been well organized. It has affected the views of the majority of the members of the legislative as-sembly, who are stronger than the ministry. That is the inference, at least, from the announcement made yesterday by Sir Lomer Gouin, who, however influential he may be, is not war conditions, many difficulties and complications, it is confidently expected that it will be accomplished speedly and satisfactorily.
