To

strides of recent months that there is every prospect that the proposed alliance between the imperial and royal houses will prove popular.

The princess is of a happy disposition. During the last two years she has been mixing in society, and has made herself a great favorite. She is an enthusiastic sportswoman, is especially fond of boating, and fishing, and has killed many salmon both in Ireland and Scotland.

Princess Patricia has opinions of her Princess Patricia has opinions of her own and strength of character enough to stick to them, as demonstrated some time ago when her marriage to King Alfonso was mooted. Despite persuasion she resolutely declined to entertain the suggestion, declaring she would never marry any one she did not love, even to become a queen. The princess has traveled a great deal, having accompanied her father to India and South Africa. In Ireland, after whose patron saint she is named, the princess did much to popularize the A pleasant surprise awaited G. J.
