Notes and General News.

Hamilton Dec. 3,-[Special])—Mr. John H.
Tilden yesterday gave his answer to the strongly-backed request that he become a candidate for the Mayoralty. It was that he will allow himself to be nominated. There is no present indication that any other candidate than Mr. Tilden and Mr.
Teetzel will be in the field, and a short, and lively campaign will be the result, There is just one month for the candidates.

Church Notes.

The second anniversary of the new Emerald-street Methodist Church was held to-day. The services were preached by Rev. Dr. Carman, general superintendent of the thodist Church in this morning, and at the First Methodist Church this evening.

Rev. A, F. McGregor, superintendent of missions, preached at both services in the First Congregational Church to-day.

Minor Matters.

Editor World: It is rumored that a serious uprising is about to take place among the natives of Trout Creek and Golden

Morse will tower in the mighty proportions of the giant Ruse, and Ross Snow will be the eccentric Queen Dowager of the fairles. At a recent interview with their leader, Chief Nickinpoop, it was stated by him that the only thing that would quiet the natives was the handing over to them of one James Mannell of the Tremont House, Toronto, who has been maliciously, and with malice aforethought belying the natives in regard to killing deer, etc., and making false statements, which were calculated to get the natives into some trouball the famous personages of fable, song and legend so dear to the heart of children, both small and full-grown.

Read this statement: "I was afflicted with severe pains in my stomach from which I suffered much agony at times. I was afraid to go any distance from home for fear of having an attack. I was treated for neuralgia of the heart without avail. At last my mother wrote and urged me to try Hood's Sarsaparilla. I have her letter before me at the present time and it reads as follows: 'My dear child, it grieves me to learn that you suffer so with your stomach. Do get a bottle of Hood's Sarsaparilla and let me know the result, for I am confident

It Saved My Life.' I am glad to state that I abided by my mother's advice and I am now healthy and ing to death because it hasn't rained for a great help to mothers while nursing. I have given it to my baby with satisfactory streets of Buffalo.
