The Liceuse Commissioners have transferred the liceuse from the old Common.

The congregation on the old Common.

Spring, gentle spring, is nature's revival school, and the music of lakes, rivers and the music of bunding and rushing waters is heard spain. The grass, as it catches the rays to life and is clothed an exist and the birds sing their sweetest songs.

To a vast army of men and women—the old and young—the advent of spring brings increased and intensitied sufferings and agonles from rheumatism, neuralgia, kidney and liver complaints, blood diseases, dyspepsia, nervous disorders and sleepless-dyspepsia, nervous disorders and sleepless.

Take courage, poor sufferers; we bring you at this time glad tidings. We give you at this time glad tidings.

As nature around us tones up and puts on ew life, so can you, if you are true to yourself and heaven, banish your discussion.

of on May I.

Someone skinned a dog and laid it on Charles Ringdell's steps. Bert Hill of concession 6. Whitchurch, passed by whilst Ringdell was sawing wood on the road in front of his house, and Ringdell told him to take the dog away. Hill knocked him down, and before Magistrates Wilson, Miller and Stiver he was fined \$2 and costs for it.

Mrs. E. Rankin, Courtright, Ont., fully convinced of the efficacy of the great medicine, writes thus:

"With great pleasure I beg to inform you of the good I have received from the use of Paine's Celery Compound. For a number of years I have been in very poor health owing to various causes, and lately I was advised to try your medicine. I was advised to try your medicine. I was advised to try your medicine. costs for it.

Miss Della Davis, late teacher of the intermediate department in Schomberg school, has secured a lucrative position in Rat Portage.

And advised to try your medicine. I county constable were the unlooked for developments yesterday in a case of false world of good. My severe headaches are the local declared Premier Ross. This tough on the lobbyists. Does the Premier expect them to hire boys to carry their money?

should use Vapo-Cresolene at once. This action is taken at the instance of the Department of Agriculture.

You put some Cresolene in the vaporizer, light the lamp beneath and breathe-in the vapor while sleeping, that's all. The healing, soothing vapor, goes all up through the nose, quieting inflammation and restoring the parts to a healthy condition. Doctors prescribe it. Vapo-Cresolene is sold by druggists everywhere. Avapo-Cresolene in the vapor while sleeping, that's all. The healing, soothing vapor, pore and the drugging in the vapor while sleeping, the drugging in the vapor while sleeping, the drugging in the vapor while sleeping instance of the Department of Agriculture.

proposed thorofare would be made the regulation width of 66 feet. The change would mean leaving Clinton-avenue 850

feet west of the present point, but by straightening the proposed road the dis-tance of travel would be less than the present route. Mr. Arnoldi also hinted

that the college authorities contemplated the purchase of another ten acres to the north, thereby opening up a roadway en-tirely around the college block. Mr. James

tirely around the college block. Mr. James Armstrong, a near-by owner, spoke of the project as a good improvement. There was only one opinion among the property-owners interested, and that was favorable to the deviation. He hoped the council would see that the new road was properly graded, and in the near future he expected to see the road macadamized.

Mr. W. G. Ellis spoke as an opponent of the proposed change, altho his opposition, he said, would be dropped if he thought the college would carry out the further improvement suggested by Mr. Arnoldi. Mr. Ellis' objections were mainly on the ground that the further extension of the college grounds would block out proper-
