Oak Hall, King St. E.

Monday we sold out 75% of the goods advertised specially for the day—isn't that pretty good proof of the genuineness of the bargains we're offering?

SHORT FRIEZE Overcoats

Just 12 of them left in lot we had made up specially for conductors and motormen—sizes 36, 37, 44 and 46—all wool frieze—tweed lined—high storm collars—a great value at the regular price 8.50—a big snap for the man who wants a convenient warm short coat—To-day **5.95**

LONG STORM ULSTERS

A great big comfortable coat for the man who has a lot of driving or out-door work to do—sizes 36 to 44—heavy frieze in brown, fawn and tan colors—high storm collar — tweed lined—slash pockets—horn buttons — well made—a regular storm-resister — were 6.00 to 8.50 for—..... **3.95**

MEN'S BLACK SATEEN SHIRTS

Just about three dozens of these warranted fast black Sateen Shirts—with white polka dot or stripe, a good comfortable never-show-the-dirt garment — worth a dollar easy—for ..... **.39**

OAK HALL Opposite the Cathedral. J. COOMBES, Manager.

TRINITY IN GALA ATTIRE.

Annual Conversazione of Literary Institute a Success.

Old Trinity College took on a gala appearance last night when the Literary Institute held its annual conversazione. The stately old corridors and convocation hall were most tastefully decorated with festoons and streamers, composed of the college colors, red and black. President W. E. Kidd and his committee issued six hundred invitation cards, and the large hall was crowded to its fullest capacity.

Provost Macklem and Mrs. Rigby received the guests on behalf of the institute.

The lady patronesses for the evening were Miss Mowat, Miss Strachan, Mrs. Rigby, Mrs. E. B. Osler, Mrs. Frederic Nichols, Mrs. Elmes Henderson and Mrs. William Mackenzie. The music for dancing was by D'Alessandro's orchestra, and about twenty dances in all were indulged in.

About 11 o'clock, during intermission, refreshments were served in the dining room, which was also prettily decorated.

Killed by Flour.

Hensall, Feb. 10.—While Richard Beek of Hensall was on his way to Zurich with a load of flour barrels, the load upset when opposite Mr. A. G. Ehnes' farm. It appears there was no one who saw the occurrence, and as the horses became detached from the load no one thought of looking for the driver until the horses were caught near town. Mr. Beek, not turning up, several parties went to where the body lay, and after removing the barrels the body was found, but life was extinct.

MENDED CHINA

Don't Do Well With Hot Water.

"We housewives know better than to use hot water on mended china and common sense tells me that coffee or tea should never be used by those who have undergone operations for stomach trouble or appendicitis, etc. In fact, if it were not for the stomach troubles set up by coffee I believe these operations would not be necessary in nine cases out of ten," says a lady of Peoria, Ill. "My husband has been changed from a confirmed dyspeptic to an average healthy eater by the use of Postum in place of coffee. I find it much richer and clearer by making over, always adding a little more fresh Postum and then proceed as if fresh. My husband never likes it fresh as well as the second or third make over. Our physician, who recommended Postum to us, was a confirmed coffee drinker, but found that one cup of Postum satisfied him and improved his digestion immediately. Another physician acquaintance had a similar experience. But I started to write you about my husband's condition. He had four operations for stomach trouble. I feel certain that had he used Postum in place of tea and coffee for years preceding this the operations would never have been necessary.

"Several weeks ago our Postum ran out, and we used coffee for several days. His old trouble asserted itself at once and there was an immediate rush for Postum, which drove the trouble away again." Name furnished by Postum Co., Battle Creek, Mich.

To bring out the heavy food value in Postum Cereal Coffee it must be cooked not less than twenty-five minutes altogether. It starts to boil in about ten minutes, then it should be slowly boiled full fifteen minutes after boiling has commenced. Some housewives prefer it steeped for many hours, or even made over.

City of Hamilton

SEVENTEEN GET MORE MONEY

Teachers in the Fourth Grade of the Public Schools Have Their Salaries Raised.

INTRODUCE TECHNICAL EDUCATION

Board of Health Still Refuses to Allow Afflicted Sheep to Be Sold.

Hamilton, Feb. 10.—(Special.)—The Board of Health still refuses to allow the 50 sheep that were afflicted with the scab disease to be sold for food. Dr. Langrill, the Medical Health Officer, inspected the rest of the lot this evening and ordered some more of them to be burned in the city crematory.

Teachers Get More Money.

Seventeen teachers in the fourth grade of the Public Schools had their pay raised by the Internal Management Committee of the Board of Education to-night. They have been getting $550 a year, and they will get a raise of $25 every two years until they reach $600. Miss Savage, principal of the Hannah-street School, also had her stipend increased by $75. Inspector Ballard's report showed that there had been an unusual amount of sickness among the pupils. The trustees talked about the introduction of manual training into both the Public Schools and the Collegiate Institute. A special committee will consider the matter.

Hospital Estimates.

The Board of Hospital Governors met this evening to discuss their estimates. They want $32,000 from the City Council, so that they may paint the building, erect a new fence and make other improvements. They will have to wait until the Council meets before they know whether they will get what they ask for or not.

P.S. Board Asks for $136,000.

Altho the City Council undertook last year to revise the estimates of the Public School Board and to cut down the amount from $132,000 to $129,000, the board is asking for $136,000 this year. The Council have not the same control over them as they have over the hospital authorities.

Will Press the Case.

Col. Gwyn of Dundas says he is going to press the case against ex-Warden Binkley, who was elected to the County Council while a member of a Township School Board. It has been understood that the proceedings had been allowed to drop.

Minor Mention.

The councillors of Barton Township are willing to put up for a third of the cost of building new steps up the mountain at the head of Wentworth-street.

Out After Commands.

Several of the senior officers of the 13th Regiment are out after commands, and it looks as tho some new corps would have to be formed before they are all accommodated. Major F. B. Ross is trying to get people interested in a new mounted infantry corps that the government would like to see established here.

Canners' Syndicate No More.

The Dominion syndicate of canners, which was formed in 1900 to restrict the packing of canned goods for the next three years, has gone out of business, because it had nothing to do. The canners have been making so much money that they do not need an organization of this kind to help them out, it is claimed.

Honor to Dr. Lyle.

A social gathering in honor of Rev. Dr. Lyle, who has completed his twenty-fifth year as pastor of Central Presbyterian Church, was held to-night. Nearly all the Presbyterians in the city were there. The doctor was presented with an address and a purse of gold. His wife was also called to the platform and given a present of a beautiful Persian lamb coat. George Rutherford and Mrs. William Hendrie, sr., made the presentations.

SANDERSON'S MOUNTAIN DEW SCOTCH.
Known for its mellow flavor.

M. S. Glassco, a popular stove dealer, has wedded Miss Josephine Anna O'Brien, a daughter of the late D. J. O'Brien. The ceremony was performed by the Rev. Dr. Fletcher.

The James-street Baptists are very much disappointed because Rev. W. B. Hinson of California has refused a call to their church.

The big break in the water main at the corner of King-street and Sherman-avenue Monday night left the city without water for over an hour.

NEW JUDGE MADE.

Thomas Hodgins, K.C., Appointed to the Admiralty Court.

Ottawa, Feb. 10.—Thomas Hodgins, K.C., Master-in-Ordinary at Osgoode Hall, Toronto, has been appointed Judge of the Admiralty at Toronto. This is one of the positions held by the late Judge McDougall.

Peter Ball of Toronto has been appointed Commercial Agent for Canada in Birmingham.

Thomas Hodgins, K.C., was appointed Master-in-Ordinary of the Supreme Court of Ontario in 1883 and judicial referee under the drainage laws in 1896. He is the author of some legal works on election and franchise laws, has collected reports of Canadian election cases, is the author of several brochures on international affairs, particularly the Alaskan boundary dispute, and British diplomacy in dealing with Canadian-United States boundary at other points. He is a graduate of the University of Toronto, and for many years sat in the Senate of that institution.

The Admiralty division of the Exchequer Court of Canada was organized in 1891, the position of judge having been occupied by the late Judge McDougall since its establishment.

Peter Ball, the newly-appointed Commercial Agent at Birmingham, is very well known in business circles in this province, having been a commercial traveler for a number of years. He is at present representative for the Western Union Commercial Code. Mr. Ball is a nephew of the late Hon. George Brown.

Mid-Winter Convention.

Commencing this Wednesday morning at 10 o'clock, the Christian and Missionary Alliance will hold a mid-winter convention in the Zion Congregational Church, corner College and Elizabeth-streets. The convention services will extend over Thursday and Friday. Among those who will be present to take part in the services are the following well-known evangelical workers: Rev. A. B. (and Mrs.) Simpson, New York, president of the Christian and Missionary Alliance; Rev. J. E. and Mrs. Jaderquist, Syracuse, N.Y.; Rev. P. W. Philpott, Hamilton; Dr. and Mrs. Glover, South China; Rev A. E. and Mrs. Thompson, Kenwood, N.Y., and Rev. John Salmon, Dr. Zimmerman, Pastor G. E. Fisher, Pastor A. W. Roffe and Mr. and Mrs. H. L. Stephens of Toronto.

Victoria Oration Contest.

Victoria University held its annual oraion contest last night, and many friends gathered to listen to the treatment of some live questions by Victoria's eloquent talent. The chair was occupied by Dr. J. V. Smith, Rev. D. C. Hossack, B.A., Frank Denham, K. C. and J. W. Bengough acted as judges, and awarded the decision to D. A. Hewitt, who took as his subject "The Influence of the University on the National Life of Canada." The other contestants were A. J. Brace, H. H. Cragg, C. Jackson and A. R. Ford. During the evening F. W. K. Harris sang, A. S. Rogers contributed a violin solo, and the Mandolin Club gave a selection.

Caledonian Society At Home.

The Caledonian Society held their bimonthly at home last night in St. George's Hall, Elm-street, entertaining about three hundred guests with a most successful concert and dance. The vocal selections on the program were rendered by Miss Emily Selway, Miss Grace Nisbet and Mr. G. W. Grant. Mr. J. B. McKay contributed with some witty stories, "maistly Scotch," while the bagpipe solo by Mr. George Murray, and the dancing, in costume, by Mr. Munro, were heartily applauded. The dancing, which was kept up till early morning, was to the music of Gilonna's orchestra.

Veterans of 1866.

The annual meeting of the Veterans of '66 Association will be held at the Armouries to-night. Hundreds of applications to have their land grants located by the association have been received, and are still coming in from veterans all over Canada and the United States, and as this will be the last general meeting before explorers start for New Ontario, the mode of allotment will be discussed.

Every Seat Sold.

As every seat in Massey Hall is reserved for the concerts of the Mendelssohn Choir on Wednesday and Thursday nights, ticket holders are requested to be at the hall not later than 7.45, so that the audience may be seated before the opening number. The doors will be closed during the progress of each number. No more seats are being sold for these concerts.

Richest Young Man in America.

New York, Feb. 10.—John D. Rockefeller, jr., supposed to be about the richest young man in America, owes $400,000, and has only $30,000 worth of personal property, according to the statement filed with the Department of Taxes and Assessments. Mr. Rockefeller was assessed at $500,000. He paid on an assessment of $50,000.

Wills' English Gold-Tipped Cigarets

The finest English cigarette and standard of the world. Sold in Montreal by E. A. Gerth.

WHAT WILL FIRE CHIEF DO?

Speculation as to How He Will Act Under the Pledged Support of the Council,

HE DOES NOT ANTICIPATE TROUBLE

Renaming of Streets to Be Considered—Mayor Has a Private Deputation.

Sad silence reigns around the City Hall when the Firemen's Union is mentioned. Any opinion of the outcome is only whispered, and it is thus only expressed "in confidence." The attitude of the aldermen is: "We've had enough of that for a little while." Several prominent persons who were spoken to held the opinion that Chief Thompson, altho vested with the authority and support of the Council, might have to run up against a few unpleasant circumstances in the near future, but that he would land on top of the heap, with the result that harmony will replace strife after the fireworks are exhausted.

The Chief was asked by The World to define his plans, but altho somewhat of an orator, under ordinary circumstances, on this occasion he qualified for admission to a deaf and dumb institute. He refused to hear questions, so therefore couldn't answer them, but a man who knows him well heard him say: "I shall do what I can to thoroly merit the confidence placed in me by the Council. I shall do what is my plain duty fearlessly, and I do not anticipate any trouble from the men. I think they will see we are right, and they have the interest of the brigade at heart."

Rests With the Chief.

Ald. Spence of the Fire and Light Committee remarked that it now rests with the Chief to disband the Firemen's Union, and the Council stands pledged to support him. The Chief, in his report to the committee, said the union should not be allowed to exist, so the course he is likely to pursue would not do for the prize puzzle in a guessing contest.

Ald. Hubbard thinks the firemen will return the union charter, having appreciated the genuineness and common sense of the opposition to a union in the brigade.

President Bell of the Firemen's Union cannot, of course, discuss the matter under the circumstances.

Says Men Don't Know.

Chairman Bell of the Fire and Light Committee said he was ignorant of what the Chief was going to do, but if he thought any action the Chief might take was wrong he reserved the right to criticize, even tho the Chief had been empowered to take whatever action was suitable to maintain the discipline in the brigade.

Ald. Bell charged that many of the men who signed the petition presented to the Council against the union did not know what they were signing.

Some firemen who were spoken to were reticent. "We have got to find out just where we are at," said one man who took on a mysterious air.

The general feeling is that the union firemen may sulk for a little while, but will eventually realize that what has been done is all for the best.

Not a Clergymen's Union.

Following in the foosteps of his illustrious predecessor, the Mayor is holding "mum's the word" conferences. Yesterday a deputation from the Ministerial Association waited upon him. Rev. Dr. Chown, Rev. W. Frizzell, Rev. R. Hall, Rev. P. C. Parker and Rev. J. L. Gordon were his visitors, but the object of the visit is a dark secret. There is no truth in the report that the deputation wanted to form a clergymen's union.

Renaming Streets.

The Street-Naming Sub-Committee of the Works Committee met yesterday afternoon and received Postmaster Patteson's letter, which pointed out the inconvenience caused to the postal authorities as well as to the general public by the similarity of the names of a number of streets.

The name of that portion of Turner-avenue, which runs from Niagara-street to Stanley Park, was changed to Stanley-avenue.

There was a petition that Avenue-place be changed to Hartford-avenue, but it was thought the proposed new name would conflict with that of Harvard-avenue, and decision was deferred. Darling-avenue residents want the name of the thorofare changed to Rosedale-avenue, but no decision was arrived at by the committee.

The Assessment Commissioner and the City Surveyor will be asked to report upon the desirability of changing the following streets, which bear identical names:

Albert-street, Albert-avenue, Albert Lane.
Avenue-place, Avenue-road.
Balsam-street, Balsam-avenue.
Bellevue-avenue, Bellevue-place.
Bellwoods-avenue, Bellwoods Park.
Bellwoods-place.
Blake-street, Blake-avenue.
Brant-street, Brant-place.
Brighton-avenue, Brighton-place.
Cameron-street, Cameron-place.
Castle-avenue, Castle Frank-avenue, Castle Frank-crescent.
Cherry-street, Cherry-avenue.
Clute-street, Clute-crescent.
Elm-street, Elm-avenue, Elm-place, Elm Grove, Elm Grove-place.
Frankland-street, Franklin-avenue.
Herbert-street, Herbert-avenue.
Howland-avenue, Howland-road.
Irving-avenue, Irwin-avenue.
Isabella-street, Isabella-place.
Lake Shore-avenue, Lake Shore-road.
Louise-avenue, Louisa-street.
McKenzie-avenue, McKenzie-crescent.
Macdonald-street, Macdonell-avenue.
Maitland-street, Maitland-place, Maitland-terrace.
Maple-avenue, Maple Grove, Maple Row.
Maplewood-avenue, Maplewood-place.
Markham-street, Markham North, Markham-place.
Maud-street, Maude-avenue.
Myrtle-street, Myrtle-avenue.
Orchard-street, Orchard-road.
Park-avenue, Park-road.
Prospect-street, Prospect-road.
Regent-street (2), Regent-avenue.
Russell-street, Russell-place, Russett-avenue.
Sackville-street, Sackville-place, Sackville-terrace.
St. Andrews-street, St. Andrews-avenue, St. Andrew's Market.
St. Patrick-street, St. Patrick's Market, St. Patrick-square.
Scott-street, Scott-avenue, Scott-street lane.
Soho-street, Soho-avenue, Soho-place.
Spadina-avenue, Spadina-place, Spadina-road.
Trinity-street, Trinity-square.
Ulster-street, Ulster-avenue.
Victoria-street, Victoria-place, Victoria-lane.
Wellesley-street, Wellesley-avenue, Wellesley Cottages, Wellesley-lane, Wellesley-place.
Wellington-street, Wellington-avenue, Wellington-lane, Wellington-place.
William-street, William-avenue.
Wilton-avenue, Wilton-crescent.
Winchester-street, Winchester-avenue, Winchester-drive.

Government Spending Money.

Building permits have been issued to the Dominion government for the underpinning with brick and concrete of the Customs House, to cost $5000, and to A. Hawes for an additional storey, costing $5000, to the new apartment house on the corner of Huron-street and Sussex-avenue.

Dominion Paper Box Company, four-storey store and brick warehouse, West King-street, near Brant-street, $50,000. Dominion government, alterations to the general postoffice, brick and stone, $21,000.

City Hall Notes.

Street Commissioner Jones has been sent to Kingston—by the city to look after the Welsh coal on the barge Augustus.

The idea of getting the south side of Queen-street for a park square in front of the City Hall is not dead yet, but it is looking more expensive when the property is changing hands among private individuals.

The aldermen are wondering where the Carnegie offer will get off at, and they are anxious to get the benefit of the doubts of the Board of Control, the Legal Department and other prominent doubters. So far it looks as if the offer will not be frowned upon, notwithstanding the pronounced opinion of the labor unions against it.

A Trying Time on Feeble Persons

All Who Are In Low Vitality Have Reason to Dread the Coming Weeks—Fortify Your System by Using

DR. CHASE'S NERVE FOOD

If you watch the newspapers for the next few weeks you will find that the death record is a large one and made up largely of persons in advanced years and of weak constitutions.

Vitality seems to be at low ebb at this time of year, and the sudden changes of temperature and humid atmosphere are more than a weakened system can withstand. A little overexertion, a little unusual exposure, a little neglect of the body, and health is undermined, physical break-down inevitable.

If you could but realize the reconstructive and upbuilding influence of Dr. Chase's Nerve Food it would be easy to convince you of the wisdom of using this preparation at this season of the year. When the blood is thin, weak and watery, Dr. Chase's Nerve Food enriches it by increasing the number of red corpuscles. When the nerves are exhausted, energy gone and strength declining this great food cure builds up the system, restores and revitalizes the wasted nerve cells and rekindles the spark of life.

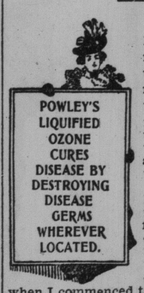
No physician can give you a better restorative than Dr. Chase's Nerve Food, for it is prepared in accordance with the most modern and most scientific principles, and contains in condensed form the most potent restoratives known to medical science. By noting the increase of weight while using Dr. Chase's Nerve Food you can prove for a certainty that new, firm flesh and tissue is being added to the body. Fifty cents a box, six boxes for $2.50; at all dealers, or Edmanson, Bates & Co., Toronto.

KIDNEY TROUBLE

William Appleton Tried Drug Preparations That Did Him No Good and the Sands of His Life Were Fast Slipping Away.

A Friend Advised Powley's Liquified Ozone—So Sick Was He That He Had Commenced on the Fourth Bottle Before Feeling Better.

Then, With the Disease Germs Destroyed, the Improvement Was Rapid and He Was Soon at Work—Has Had No Lost Time Since.



Some time ago I was a very sick man from kidney trouble. All the medicine I was then taking did me no good. I felt the sands of life were fast slipping away. I was advised by a friend to try Powley's Liquified Ozone, as it had raised him from a very serious sickness into perfect health. My wife at once purchased a bottle, when I commenced taking your remedy. I was very much run down at this time. I had used three 50c bottles and commenced the fourth before I began to feel the benefit. But from the fourth bottle I mended fast, my cough left me and my energy returned. I began work again and have been working ever since. I have the greatest confidence in your remedy and feel that I cannot afford to be without a bottle in our house all the time. You are at liberty to publish this for the benefit of other sufferers.

WILLIAM APPLETON,
67 Stafford-street, Toronto.

WILLIAM APPLETON.

The Strongest Proof is Home Proof

Has it ever occurred to you in reading Ozone advertisements that the proof we furnish as to the remarkable curative qualities of Powley's Liquified Ozone is of the strongest possible kind? Never has a remedy been so enthusiastically endorsed by such a great number of people, but the best of the proof we furnish is that it is not from a man in Maine or a woman in Mexico, but from people right at home. You can talk to these people or write to them and you will find that they will verify every statement we make. In cases of kidney trouble our home proof is particularly strong. By destroying the disease germs that cause the trouble Ozone effects cures when drug preparations have proved entirely worthless. Is it any wonder then that in cases like that of Mr. Appleton, when a life is saved, people become enthusiastic.

The following are brief extracts from the statements of other persons who have been cured:

WM. FLETCHER,

Erindale, Ont., says: "For about two years I suffered from kidney disease and finally became so ill that my doctor advised me that if I had any business to settle I had better have it attended to. Fully expecting to die, I had him draw up my will. About this time Mr. Connover, a neighbor, recommended Powley's Liquified Ozone. I felt better after taking the second dose, and after taking five bottles was entirely cured. Although 72 years of age, I am so well that I can do a good amount of work and feel that I am good for at least ten years to come."

W. A. PRIMEAU,

Chatham, Ont., says: "For six months I was much troubled with my kidneys, during which time I tried a number of medicines supposed to cure kidney trouble, but derived no benefit from any of them. A friend advised me to try Powley's Liquified Ozone. I soon found it to be just what I required and in a short time was in fine working condition, with every trace of the disease gone."

WALTER RAINE,

city traveler for the Hough Lithographing Co., Toronto, says: "For some time I was troubled with kidney disease, which I believe was fast developing into Bright's disease. I also had rheumatism in my shoulders and knees and my digestion was far from good. I tried Powley's Liquified Ozone. The first bottle helped me and I continued taking it until I had taken four bottles, when every symptom of my old ailments was gone. I now Keep Ozone in the house and find it an excellent remedy for any sickness that we may have."

Powley's Liquified Ozone is sold only by reliable dealers—never by peddlers. Price 50 cents and $1 per bottle. Our booklet on kidney trouble and rheumatism mailed free on receipt of name and address.
