Whitewear Priced For Holiday Visitors

We've made these attractive inducements that holiday visitors may have an opportunity to take advantage of **EATON** values. In some cases it's two garments for the usual price of one. For instance:
Women's Gowns, some slightly soiled, but perfect in every other way, the balance are taken from regular stock. There are pretty slip-over and button-front styles, made of lovely fine soft cottons with trimmings of good lace and embroidery and insertions to match, all well finished; lengths 56, 58 and 60 inches. Clearing . . . 78c
Women's Corset Covers, of good cotton, free from starch or dressing, and trimmed yoke style with three rows of lace insertion, beading and ribbon and lace frill on neck and arms. Plenty of fullness in fronts. Sizes 32 to 42. Going at 19c
Women's Skirts—This fine, lacy skirt is our early season special. It's big value from whatever point you view it. The style is good—the cotton is of soft, firm quality—the flounce is of lawn, with five rows of wide lace insertion, giving a very fluffy, lacy effect, making it a very desirable skirt to wear with sheer lingerie dresses; a dust ruffle and edge of lace gives the proper finish to this dainty skirt. Lengths 38, 40 and 42 . . . \$1.00

Prepare To Fly Your Flag On VICTORIA DAY

For Canada, for the Empire, we must cultivate the patriotic enthusiasm that is the life of a great nation. In rare instances this enthusiasm has come to the surface in a great demonstration, such as when our heroes returned from South Africa. But it should be more of an everyday matter as well. On every fitting occasion, such as the great world-wide Victoria Day celebration, we should spread to the breeze the emblem of our country, the pledge of our patriotism for the sake of our children and neighbors. And then entirely aside from the sentimental reason, is there anything quite so appropriate and quite so beautiful as the flag for decorations at all times? Celebrate Victoria Day by buying flags.

You may get flags of many descriptions in our Drapery Section. Flags big and little, of bunting, silk or cotton.

In best quality wool bunting, the prices are as follows:
