Day's YORK COUNTY

West Toronto Man Meets With Tragic Death-News From the County-Suburban Jots.

NORTH TORONTO, Aug. 12 -(Special.)—The works and fire and light cial.)—Wm. Cunningham, a C. P. R. brakeman, living at 295 Evelyn-avenue, met with shuch shocking injuries in the local yards here early this the former and Chairman Murphy the latter. There was a gaad deal of business outstanding, and the town

fire and light committee was the ad- house.. option of the recommendation of Engineer James to sink another well for the better conservation of the water open was entertained. supply of the town. This was agreed to, and the amount placed at thee disposal of the committee for the new well and the improvement of another one, together with other needed work down at the waterworks, will call for \$1500. The new well just completed cost about \$1000. When this is all done it is thought the town will have it is thought the town will have The adjourned inquest as to the

Buying and putting down 100 toise of stone on Yange-street, \$2000; olling and watering Yonge-street, \$900; dump match with the Port Credit team, on

This is in excess of last year's expenditure, which was only \$6443, but the

impressed with the idea that they had EARLSCOURT CATHOLIC MISSION exercised the most rigid economy consistent with the progress of the town.

A long discussion took place on motion of Councilor Howe that the wages of the men employed on the works of the men employed on the works and epartment be piaced at 25 cents an hour, the men to provide their own hour, the men to provide their own hour, the men to provide their lown picks and shovels. Practically and the and preach the sermon of dedication. There will be also vespers, benediction vance from 23 to 25 cents an hour, but the matter will after all be left largely cation by Rev. Hugh Canning, diocein the hands of the engineer and a sort san director of the Catholic Extension of sliding scale allowed. The men ad- at 3.30 p.m.

judged worth the 25 cents will get it, and those, if any, who are thought to be unworthy, will receive less than the amount stated. The offer of the Canadian Casuality and Boiler Inspection Company re the insurance of the new steam road boiler at a premium of \$40 for three years on a \$2000 insurance was accepted. This

is said also to guarantee to a limited amount the men engaged in operating The Royal Artificial Stone Company will take over the work of putting down some 700 feet of concrete sideon the Lawrence estate.

The Holmes Electric Company accepted the offer of the town to replace the skeleton gongs in the homes of the firemen with an improved action at a cost of \$150. Several other matters of import to

the town were dealt with. The members present were: Councillors Murphy, Pears, Howe and Reid. Councillors W. J. Lawrence and Walter Muston, together with Mr. Manton and Mr. Adams, arrived home to-night from St. Catharines, where they had been in attendance at the Ontario Hor-

ticultural Show. They report the ex-hibits as being larger and finer than Citizens' Band excursion to Niagara Falls on Wednesday next promises to be one big event of the season. ises to be one big event of the season.

To tickets are said to be going well,
and why wouldn't they? The band The band boys ought to have a good big surplus from Wednesday's trip, and they will, if everybody does the square thing.

MEETING TO DISCUSS

Controllers Moved to Action 1 Triple Drawning-Care of City's Autos.

of control meeting yesterday was p preventing disasters in Toronto Bay The fatality of Thursday night, and the frequency of drowning accidents along Toronto's waterfront this sum mer has called forth so much comment that Controller Church advocated the assembling of a public gath. ering to consider the question.

The board decided to invite the harbor board, the representatives of the steamship interests, and the own-

Storing Automobiles.

An offer from the T. Eaton Co., of 35 cents a square foot per year, including light, heat, water and the use of a washing rack, for the storage of the city automobiles, was accepted by the board. On this basis, the storage space per car will cost \$52.50. They tional autos for the city's service. Property and Street Commissione Harris was called before the board o explain three accounts for oil, one for \$12, one for \$1,464 and the other for \$1,005. Under the city bylaws no official is allowed to purchase material costing more than \$300 without tender. M. Harris explained he was only following the precedent of Dr. Sheard, who bought oil in the open market, and explained that buying the oil by tender would be a mistake as there was not place to store it. He was allowed to continue buying the oil where

THOSE "MATRIC" EXAMS.

Candidates at the recent teachers' and matriculation examinations are informed that all certificates and statements of marks were mailed from the department on Wednesday, Aug. 10. These certificates and statements were sent by registered letter addressed as follows:

(1) To the principal, for all candidates writing at a high school or collegiate institute.

(2) To the public school inspector, for all candidates writing at a centre other than a high school or collegiate insti-

Candidates will, therefore, apply to these officers, not to the department of education, for statements of their

I CURE WHERE OTHERS FAIL.

want to talk with those who have tried every other known remedy; who have about given up trying and think that there is no cure for I don't think you do justice to yourself to fill your poor stomach with drugs day after day, when you don't see anything but temporary stimulation in them. (If you want stimulation, take whiskey; it is alcohol, like the drugs, and does less harm taken the same way.) I want to explain how vital power is restored by electricity, and I can prove to you that vital power is nothing but electricity. Then you can see that your trouble can be cured by electricity, and can understand why drugs don't cure you. Come and let me show you the only road to health, strength and happiness. No healthy person was ever unhappy, because a heart full of vitality is light and joyous, and quickly shakes off the cause. That is depression due to weakness. cause. That is depression due to weakness.

I know how skeptical people are after paying out hundreds of dollars without getting any benefit, and know that many would pay after they were cured. To those I say, set as is those prejudices, give me evidence of your honesty by offering me reasonable a curity for the Belt. I will arrange it with necessary attachments suitable for your case, express it to you, and you can WEAR IT UNTIL CURED AND PAY ME WHEN THE WORK IS DONE. Rheumatism, Kidney Trouble, Lame Back, Sciatica, Stomach Trouble, Nervous Debility, Lost Health, and
Every Indication That You Are Breaking Down Physically. I Can Cure You or No One Can.

I don't think there is any case of weakness, failure of vitality, or of any trouble resulting from the imperfect action of any organ, that I can't cure. Of course, I do not cure all cases, but I have such confidence in my line of treatment which I can't dence in my treatment that I will ask no pay for a case that comes in my line of treatment which I can't cure with my recently perfected appliance. I am curing troubles which I would not touch before.

FREE BOOK.

Write me to-day for my beauti-'ully illustrated book, with cuts show-ing how my Belt is applied, and lots of good reading for men who want to be "The Noblest Work of God," A MAN. Enclose this coupon and I will send this book, sealed, free.

AMPLE PROOF WILL BE GIVEN YOU ON REQUEST. DR. M. O. McLAUGHLIN, 112 Yonge Street, Toronto, Can. Dear Sir. -Please forward me one of your Books, as advertised.
