SPORT NEWS GLEANED FROM WORLD'S CENTRES

55,000 FANS SEE N.Y. GIANTS TAKE FIRST IN WORLD'S SERIES

Stengel, With Circuit Clout, Breaks 4-4 Deadlock in Ninth Inning.

The New York Giants yesterday vanquished the New York Yankees by a score of 5 to 4 in the first game of the world's series. The game was a sensational one throughout and was witnessed by 55,000 fans, a record attendance. The victory was largely due to Casey Stengle, the Giants' veteran centre fielder, who drove out a home run in the first of the ninth inning and gave his team the necessary margin to win. With two and three on him and two men down he walked into one of "Bullet" Joe Bush's fast straight balls and sent it into deep left field for the winning tally.

The game started with Watson on the mound for the Giants and Hoyt for the Yankees. The former was driven to the showers at the end of the second inning, with the score 3 to 0 in favor of the Yankees. In the first of the third Hoyt was hit hard and after the Giants had driven in three runs he was taken out and Bush sent in. Befor che got properly warmed up the Giants secured another run, but from that on not a batter reached second until the fatal ninth, wen he made the fatal mistake of groving the ball. Ryan relieved Watson and pitched well during the remainder of the game, but it was sensational support that pulled him out of many "bad holes."

The gate receipts were approximately $182,000, which surpassed the old record by $50,000. The attendance was estimated at 18,000 more than ever attended a world's series game in the past.

Fans Are Interested

Local fans apparently are keenly interested in this year's world series as bulletins on the game attracted large numbers in front of Thorne's in Market square and Gilmour's in King street yesterday afternoon. When the Yanks had the score 3 to 0 in their favor, many of the fans thought it was all over but the shouting. But the Giant fans never lost faith in one of the greatest money teams ever gathered together and when the National League champions scored four runs and went into the lead, great was the enthusiasm displayed. There was a fairly good attendance at the Pythian Castle where a board was in operation. The promoters are considering running the board in the evening.

BOTH WORK HARD FOR TITLE BOUT

McIntyre Keen to Reclaim Crown From Nedder Healey

"Johnnie" McIntyre, of Glace Bay, is working out daily for his championship bout on Monday night with "Nedder" Healey, Maritime welterweight champion, and is showing good form. McIntyre realizes that this bout will be his last chance to win back a title he once held and he is determined to make the best showing possible. As Healey is sure to be in fighting trim for the bout, a rattling good contest can be expected. The Halifax boxer is expected here the latter part of the week.

The news that Healey is to box "Eddie" Shevlin, one of the best welters in the business, in Halifax, has aroused much interest here and the fans are discussing Healey's chances against such a sterling performer.

Two Applications.

Seldom is the Mayor called upon to decide between the issuing of two permits for boxing bouts on the same date in the city, but such is the situation today. He has received applications for two such exhibitions, one to be held in the Arena and the other in the Armories on the day of the Dry Dock opening, Oct. 29.

The Mayor is inclined to grant only one permit for any date and his idea is that the first application should receive first consideration. In this case it is the Arena event which will have the preference.

27 TIGERS WILL EACH GET SHARE

Plan for Dividing the World Series Second Place Money.

Detroit, Oct. 11. — Twenty-seven Tigers will divide second place world series money in the American League, it has been announced at headquarters of the local American League club. In addition to the players, the club trainer and the club secretary each have been voted a full share.

Indians Vote on Share.

Cleveland, Ohio, Oct. 11. — The Cleveland Indians' share of the world's series money will be divided 28 ways. Full shares were voted to Coaches Jack Macallister and Frank Roth, Business Manager Walter McNichols, Trainer Max Wiseman and Louis Guisto, former first baseman, in addition to the players who have been with the club all season. Half shares were voted to Miss Edna Jamieson, assistant secretary, and Frank Von Dellen, ground keeper.

Manager Tris Speaker and Leslie Nunamaker, manager of the Chattanooga Club of the Southern Association, have left on their annual fishing trip to Rice Lake, Ontario.

DONOVAN TO GO TO THE OLYMPICS

Clever Local Boxer Will Represent City—To Leave on Monday.

Louis Donovan, St. John's brilliant young amateur boxer, will leave here next week for Toronto where he will ccmpete at the Canadian trials for the Olympic contests next year in Paris, France. A telegram was received last evening from Toronto by A. W. Covey, president of the M. P. B. A. A. U. of C, that the St. John boy's entry had been accepted and that a certain amount would be granted for expenses. The elimination trials will be held in Toronto on October 18 and 19. It is probable that J. C. Chesley and Elmer Ingraham will accompany the youngster on the trip. They will leave on Monday.

His Career.

Young Donovan has had a brief but highly successful career in the roped arena. He took up boxing a few years ago, making his first appearance here in the city championships of 1922 at the Armory. He met and defeated Furze, of Moncton. In April of the same year, he boxed in the Maritime championships here, winning an easy decision over McInnis, of Halifax, in a preliminary, and winning by a knock-out in the finals of the 115-pound class from Collins. On December 4 of 1922, he boxed Farrell Britt in the City Hall, West St. John, and won the decision.

This year on January 25, he met and defeated Leslie Britt in one round. He also defeated McInnis again at a meet in the Armory during Carnival Week.

In Halifax early this spring, Donovan showed his clas by winning the 118-pound Maritime championship by scoring decisions over Cavanaugh, of New Glasgow and Gooley, of Halifax. Last April, he met Bruce Winchester and won inside two rounds. That was his last bout but since then he has not neglected training but has kept in good condition. He has put on weight and now boxes around 125 pounds, the featherweight limit.

McTigue Will Be Idle Some Weeks

New York, Oct. 11.—Pending the recovery of Mike McTigue from the injury to his left hand, which has troubled him for more than a month, Joe Jacobs, manager of the world's light-heavyweight champion, has announced that he will sign no more matches for the titleholder. Jacobs conferred with Promoter Tex Rickard on prospects for a return bout between McTigue and Young Stribling, Georgia youngster, who received a draw with the champion in the wild bout at Columbus, Ga., last week. Rickard is prepared to arrange a return meeting between the boxers for Madison Square Garden. Jacobs, however, informed the promoter that McTigue's injured hand now is in a plaster cast, which will not be removed for at least four weeks.
