Judge Barry Taken Ill; Murder Case To be Tried Again

His Honor Dismisses Jury in Kent County Case

Condition Not Serious, But His Doctor Advises Adjournment of Court and Rest for Judge—New Jury When Court Resumes on Nov. 21.

(Canadian Press.)
Richibucto, N. B., Oct. 13.—In the case of Ernest McEachern charged with the murder of Gordon Mesheau at Mill Creek, on May 1, the jury was dismissed this morning and court adjourned until 11 a.m. Nov. 21.

On Thursday afternoon, after the evidence of but one witness, Donald Mesheau, brother of the deceased, had been heard, Judge Barry, before whom the case is being heard, was taken ill. Dr. Arsenault, who was summoned, advised that court be adjourned and that His Honor receive rest. Today it was found necessary to further adjourn the case. His Honor's condition, however, is not considered serious. A new jury will be empaneled when the trial is resumed, fifty jurors having been summoned to appear on Nov. 21. The prisoner has been remanded to jail.

HEAR ABOUT DOG THROWN OUT OF WINDOW

The case against George Galbraith, charged with cruelty to animals, in throwing a dog from a window of the Empress Hotel, King Square, was taken up this morning in the police court. He previously pleaded not guilty. S. Merritt Wetmore was present in the interests of the Society for the Prevention of Cruelty. J. A. Barry represented the accused. Several witnesses were examined and the case adjourned until this afternoon at 2.30.

McLellan said he had been passing the hotel in company with Edward Young and had seen the dog on that day and had seen the dog lying in the street. She had telephoned to the police station for someone to come. She had then gone down to where the dog was and had seen Policeman Dykeman shoot it.

A. G. Rennie said he had seen the shadow of the dog as it passed his window, which was just under the Empress Hotel. He had told someone to telephone the police. When he went into the street he had seen that the dog had been thrown from a second story window.

John Comeau testified that he had been standing in front of the Park Hotel and had seen the dog strike the pavement. He had seen an open window.

Richard Canty said he had been in the hotel on that afternoon. He had got up and come down stairs to where the accused was. The latter had told him that if he was asked if he knew anything about a dog on the premises he was to say he did not. Mr. Canty said he had been present, had said that they were all going out and the witness would have to go to the police were concerned to investigate. Galbraith had told him three times to say nothing about seeing the dog. Policeman Coughlan said he had gone up to the Empress Hotel and had seen Policeman Dykeman there talking with Galbraith about a book. He had asked Galbraith if, without his knowledge, there could be anyone in the room from which the dog had been thrown. Galbraith, he said, had denied it. Dykeman had tried to get Galbraith to lead the register to the hotel, but it could not be found. The accused had said to return in an hour and they would find the dog.

TELEPHONE MATTER AGAIN CONSIDERED

Cambridge Case Before Public Utilities Commission—Maine and N.B. Light and Power Co. Wants to Issue \$525,000 Debentures.

Further consideration of an application from the Cambridge Farmers' Rural Telephone Co. for permission to make long distance connection with the New Brunswick Telephone Co. was given at a meeting of the New Brunswick Public Utilities Commission this morning. It is expected that the case will be concluded this afternoon. The commission also heard an application from the Maine and New Brunswick Electric Light and Power Co. for the approval of an issue of securities to the extent of \$525,000.

In the Cambridge Telephone matter, the evidence of some witnesses and argument for and against the application were heard. E. M. Hopper appeared for the Cambridge Telephone Co.; E. H. McAlpine for the Cambridge Farmers' Rural Telephone Co. and the Young's Cove Road Telephone Co., and Dr. J. B. M. Baxter for the New Brunswick Telephone Co. E. L. Gould, vice-president of the Maine and New Brunswick Electric Light and Power Co., appeared on behalf of that company. He explained that the additional securities of which approval was asked were for the purpose of refunding the present indebtedness of the company and to pay for improvements now being made upon the plant. After some discussion the case was postponed until October 25 at 10.30 o'clock.

INVESTIGATING GLEN FALLS FIRE

Midnight Visitors Alleged to Have Been Seen by Owner of One of Two Houses Burned Sunday Morning.

Circumstances have been reported in connection with the burning of two houses at Glen Falls on last Sunday which have led to an investigation being carried out by Hugh H. McLellan, provincial fire marshal. The houses were destroyed between three and four o'clock on Sunday morning by a fire which originated in one of them, which was unoccupied.

Mr. McLellan said this morning that the owner of the destroyed house had told him that he was awakened about midnight by hearing someone on his veranda. Going down stairs he said he found a man, aged about forty, and a woman, perhaps half that age. The householder asked the pair what they wanted and the said they were looking for a road house which was in the vicinity. The resident directed them on their way and returned to bed. He told the fire marshal that he was awakened by the fire in the house next door, which apparently had not been entered, the fire being centered around a small porch at the front entrance.

Mr. McLellan said that so far he had been unable to locate any further trace of the man and woman who were alleged to have been in the vicinity.

The different troops have been training for some time, and all are determined to hold up their end on the field. Some of the events, such as the "antelope race," Scouts' pace, patrol wall scaling, and Paul Revere race, are entirely new to St. John, and should create a lot of local interest. The 6th Troop, Edith avenue, under Scoutmaster O. J. Lawson, who came second in the Provincial Wallace Nesbitt Junior, First Aid Competition, are out to win the first aid race. Keen interest is aroused in this event, as other troops are just as determined to win.
