WOOD ALCOHOL KILLS N. S. MAN

Bangor, Me., May 19—Timothy Burke, who came here last year from somewhere in the maritime provinces, died last night in the Eastern Maine General hospital from the effects of wood alcohol.
On Thursday afternoon the police were notified that two men, apparently drunk, were lying in a field near the hospital, and the patrol car was sent up with officers to investigate. One of the men was Burke, who seemed to be in a strange stupor, and was taken to the hospital, while the other gave his name as Clifford Pyre of Calais, and was locked up at the station.
Police records show that Burke was arrested last Monday for drunkenness, and it is said that after being liberated he continued to drink heavily. He was about forty-five years old, an iron molder by trade, and was employed at the Union Iron Works and lived at the Bangor House. It is believed that he came here from Halifax.

CHARLOTTETOWN MAN A SUICIDE

Body of R. McBrane Smith
Found in Penobscot River
at Brewer, Me.

Bangor, May 19—Through the efforts of Sheriff Fernandez and a Pinkerton man who has been working in the C. I. T., Trail Rangers and Tuxis Boys was the splendid showing made in the cup contests.
The man is believed to be R. McBrane Smith, of Charlottetown, (P. E. I.), who had been employed by the Great Northern Paper Company for several years and who was supposed to have left Bangor on May 2 or 3 for work on the new woods railroad under construction by the company in the St. John Lake district.
The man had gone under several names, it is said, and that may account for the appearance on his arm of the initials P. M., tattooed on the forearm. He was thirty-seven years old and had been seen a day or two later at a local hotel, asking for a loan of \$10 from someone. After drinking for some time it is believed that he took his life. He is said to have acted rather queerly at times.
Sheriff Fernandez telegraphed to Charlottetown for information concerning the man.

(Clifton Solland, in N. Y. Herald.)
"Listen to the anthems
The hills and valleys carry on;
Hills speak and valleys answer. Lo,
The lyric glory that I know!
They sing by day; by night they sing
Their wondrous vocal raptures;
Height unto depth replies; one hears
The ecstatic music of the spheres."

EXMOUTH CHURCH GIRLS AND MOTHERS

The Exmouth street C. G. I. T. girls and their mothers had a much enjoyed mother and daughter banquet last night in the church hall, which was provided by a special committee of the ladies. The tables were attractively decorated in yellow and blue, the colors of the group, which is known as the Skylark group. Yellow daffodils centred the table and blue candles were attractively arranged, while yellow fluted paper also played an important part in the color scheme.
Miss Frances Withers was the toast-mistress and the chairman for the evening, and sixty-two sat down to the banquet. The special guests were the pastor and his wife, Rev. H. E. and Mrs. Thomas, the superintendent of the Sunday school and his wife, Mr. and Mrs. E. E. Thomas, Mr. and Mrs. A. W. Estey, Frederick Hastings, who has been the referee for the basketball team, and Mrs. Hastings, C. L. Austin and F. B. D. Hopkins.

The toast list called forth many interesting speeches. "The King" was given musical honors. "Our Church" was proposed by Rev. H. E. Thomas and responded to with the singing of "The Church's One Foundation." "Our Guests, Our Mothers," was proposed by Miss Grace Kee and replied to by Mrs. H. E. Thomas. "Our Home" was proposed by Mrs. M. Bonnell and for reply one verse of "Home Sweet Home" was sung. "The Girlhood of Canada" was proposed by Mrs. A. W. Estey and for the physical side, Miss Doris Jones for the intellectual, Miss Dorothy Handren for the spiritual, and Miss Doris Shaw for the service. The toast to the ladies who served the banquet was given by Miss Helen Handren and replied to by Mrs. W. L. Beville with a piano solo. The toast to "Our Leaders" was given by Miss Marion Cosman, the president of the group, and replied to by Miss R. M. Hopkins who, with Miss Mildred Bustin as assistant, is the leader of the group. "Our Next Merry Meeting" was proposed by Miss Grace Hughes and "Smile a While" was sung in reply. The singing of "O Canada" and the pronouncing of the benediction by the pastor closed the programme.
The waitresses were Miss Laura Myles, Miss Edith Bustin, Miss Florence Beville, Mrs. Frederick Myles and Mrs. W. L. Beville.

THE REAL MAN.

I take no thought of my neighbor's birth, or the way he makes his prayer; I grant him a White Man's place on earth, if his game is on the square; If he plays straight, I'll call him mate; If he cheats, I'll drop him flat. All rank but this is a worn-out lie, for each clean man is as good as I, And a king is no more than that.
—The Rotarian.

PHYSICIAN SAYS GREATEST CURSE TO HEALTH AND STRENGTH

of American people is lack of iron in the blood which WEAKENS ALL THE VITAL ORGANS and often causes severe suffering from derangement of the heart, stomach, liver, intestines and other organs.

EXPLAINS WHAT TO DO

New York—in a recent conference with the writer in regard to why such an enormous number of people now as days are in poor health, weak and low in vitality, Dr. James Francis Sullivan, formerly physician in Bellevue Hospital (Out-Door Dept.), New York, and the Westchester County Hospital, said: "In my opinion, the greatest curse, to the health and strength of American people of today is the alarming deficiency of iron in their blood. More than half the people you meet lack 100 per cent. iron and as a result, all the vital organs of their body become more or less weakened and this in time often leads to serious derangement of the heart, stomach, intestines and other organs."
It seems almost impossible to get people to understand and appreciate the value of iron in the blood. There are billions of red corpuscles in your blood stream and each one must have iron or it becomes weakened, starved and dies, and your blood becomes pale, thin and watery. Without iron, your food merely passes through your body without doing you any good. You do not get the strength out of it, and you may therefore become thin, emaciated and all run-down. The shrinking of the facial features and muscles frequently caused by this lack of iron makes both men and women look years older, and entirely robs women of their fresh, youthful beauty and clear, smooth skin as well as nice complexion.
If you have been going on for some time without obtaining relief, I strongly advise that you have a blood examination made by a specialist, and see whether or not your blood is 100 per cent. efficient in iron. In about eighty or ninety per cent. of this kind of cases, however, I feel I can safely predict that such an examination will show iron deficiency, and that before you can expect to obtain complete relief, you must do something to put back the iron which your blood must have to make you strong, vigorous and healthy. For this purpose I always prescribe Genuine Nuxated Iron which contains true organic iron like the iron in your blood. Nuxated Iron is an entirely different thing from metallic iron which people usually take. If you have taken other iron products and have failed to get results, such is no proof that Genuine Nuxated Iron will not help you. It is strongly recommended that you try one or two bottles, and if such trial does not give you most surprising results and convince you that you have at last found the remedy to reach the seat of your trouble, the manufacturers will promptly refund your money.

IMPORTANT NOTE—Prominent druggists who have been interviewed in regard to Nuxated Iron state that it has given such highly satisfactory results that they do not hesitate to recommend it to their patrons. The demand for it is so great that some druggists carry it in stock than any other similar preparation.

NUXATED IRON ENRICHES THE BLOOD—GIVES YOU NEW STRENGTH AND ENERGY
