TUXIS BOYS MEET AT THE Y. M. C. A.

Training for the coming athletic competitions gave added interest to the Tuxis Boys' convocation at the Y. M. C. A. on Saturday night. The Senator Thorne cup, now held by the Portland Methodist church group, which is to be awarded to the city Tuxis group making the highest average in the national contest that will be held the last week of April and the New Brunswick championship shield, now held by the Hampton group, were on exhibition. There were ninety boys at the convocation and they represented the following groups: Carleton Methodist, Main street Baptist, St. Mary's, German street Baptist, Central Baptist, Waterloo street Baptist, Ludlow street Baptist, Carmarthen street Methodist, Queen Square Methodist, Portland Methodist, St. George's and Fairville Baptist. Rev. Dr. David Hutchison presided at the supper, which was provided by the ladies of the Main street Baptist church. A. M. Gregg was the speaker and he took up specially the boys' work being carried on in the maritime provinces. The practice for the athletic competition was arranged on the gymnasium floor afterwards and the Portland Methodist team won by a score of 18 to 6. It was a fast and exciting game, despite the one-sidedness of the scoring. The last event in the programme was a good time in the swimming tank.

POST TRUCK ROBBERED.

Bandits Handcuffed Drivers to Steering Wheel. Cincinnati, April 11.—Four men in an automobile held up and robbed a United States post office mail truck near the West End station of the Baltimore and Ohio Railroad here. Several pouches of registered mail were taken from the truck and carried away by the robbers. The truck was followed from the rail-

road station by the automobile. On reaching an alley, two of the bandits boarded the truck, handcuffed the two post office drivers to the steering wheel and secured the mail bags. Pedestrians, hearing the shouts of the drivers, summoned the police, but no trace of the robbers could be found.

HEN-ROOST ROBBERS MADE BIG HAULS

About 180 hens are missing from half a dozen chicken coops in one section of the Loch Lomond road. One particularly hard hit poultry owner lost forty-seven fowl. The raids have been carried out within the last week. In one hen-coop the robbers evidently thought that the cackling of the hens might arouse the owner for they wrung the necks of seven of the hens and left them. A north end resident reported last week that he had lost twelve valuable fowl.

INTER-CHURCH DEBATE.

An interesting debate between the Fire-side Club of St. David's church and the German Street Baptist Y. M. A. took place last evening. The subject was: "Resolved that motion pictures are a benefit to the community." and the Fire-side Club had the negative side. The decision of the judges was in favor of the affirmative. Although the judges complimented the members of the negative team for their excellent delivery and praised them for their mastery handling of the subject matter, they felt that the affirmative had put up the best arguments and had won on points. The judges were R. E. Armstrong and B. L. Gerow. The members of the affirmative team were Messrs. Cross, Thompson and Fields, who were opposed by Messrs. Shaw, Lawson and Nelson of the Fire-side Club.

LITTLE EFFECT ON THE N. S. MINERS

Sydney, N. S., April 10.—That a refusal by the United Mine Workers of America to dig coal for export to Great Britain during the present strike is a very unlikely thing, was the opinion voiced by Robert Baxter, president of the United Mine Workers, District 24. "For one thing, there are hundreds of thousands of tons of coal banked in the United States, and the same thing is true to a lesser extent, right here in Canada. It will therefore be seen that the demand for export coal for some time at least, can be met by the operators without reference to the men."

HOME OF JOHN A. YOUNG BURNED

Fredericton, N.B., April 10.—John A. Young, M.P.E. of Taymouth, one of the representatives of York county in the legislature lost his dwelling by fire today. The fire broke out about noon. Mr. Young and his wife were in Fredericton at the time. The loss is heavy.

MANY APPLY FOR ENTRANCE TO THE CHILDREN'S HOME

The need of systematic work in behalf of the little ones in St. John is very great as is easily proved by the experience of any of our social workers. The Children's Aid Society is incorporated solely for the purpose of taking care of little ones committed to it by the courts and finding them foster homes. Present day conditions in the city, however, make it imperative for them to open their doors to other children for whom, in the majority of cases, no other shelter is available. There are at the present time nineteen children in the home and there is an insistent demand upon them to take in more. During the last week applications were made for the admission of twelve children. The mothers of some of the little ones were widows. In one case the father had deserted his family and the mother found herself unable to bear the burden. In one the father had to go to the hospital in East St. John, leaving his family entirely without resources so that the mother had to turn bread winner. There have been as high as thirty-three children sheltered in the Children's Aid Home at one time. These, however, taxed the available space in a manner that was undesirable from the point of view of the health of the little ones and members of the staff.

Do You Know that Your Clothes can Talk?

Well, they can, and they have a language all their own. Listen to that suit you're wearing. It's talking to you—"Don't I feel pretty good? I certainly do fit nicely—see those people looking at me? They know I'm a real suit and are complimenting you on your good judgment—Anybody can tell from the fit of my collar, the hang of my coat and the exclusiveness of my shape that you are wearing good clothes—I was made in Canada by the 20th Century Brand people and I'll bet you never wear any other ready suit but one of my kind."
