Mr. McKean and Miss Barbara Jack were eliminated in the mixed doubles in the best match of the day by Mr. and Mrs. James Allen, Halifax.

BASEBALL.

Plans For Federation Team.
At a meeting of baseball fans in Fredericton last evening it was unanimously decided to favor the support of a team in the new International League. Plans were also undertaken to wipe out the deficit from last season's operations. A proposition was received from a well known New England baseball organization offering to obtain sufficient players to represent Fredericton in the league, but no definite action was taken.

Former Pitcher Dead.

Detroit, April 14.—Eugene Krapp, thirty-five years of age, one time

pitcher for the Cleveland Indians, died here yesterday. He entered professional baseball in 1907, at Flint, in the old Southern League.

National's Team.

The north end Nationals baseball team held a meeting last night to discuss plans for the season. It was announced that several good players had been secured and prospects were good for having a fast team. It was decided to enter the intermediate league which is to be formed. J. Armstrong was elected captain and S. Leary treasurer. The manager will be chosen at a subsequent meeting.

The New League.

Baseball fans throughout the city have been eagerly awaiting some information as to the progress in the plans for the new International League and while few details have been forthcoming it is said to be the fact that there is a lot of work to be accomplished which has little or no new value. It is expected that by the first of the week definite information as to progress, make-up of some of the teams, etc., will be published.

BILLIARDS.

New York Tournament.
New York, April 14.—Albert Cutler of Chicago, champion, defeated Chas. Peterson of St. Louis, 400 to 240, last night, in the first block of their opening match for the world's 182 short stop billiard championship.

ATHLETIC.

Olympic Meeting Here.
Chairman P. L. Mulqueen leaves on Thursday next for St. John, where he will confer with his fellow-members of the Transportation and Finance Committees of the Canadian Olympic Committee—A. W. Covey, of St. John, and Mr. Finlay, of Montreal—on Saturday, April 21, at St. John. Olympic matters pertaining to the provincial organization for the Maritime Provinces of which Mr. Covey has charge will be the special subject of conference.

Ray Outint Accepts Offer.
Kansas City, Mo., April 14.—Ray Outint, city golf champion, has accepted a position as professional of the Bristol Country Club of Bristol, Tenn. He will leave about April 25 to assume his new duties. Ray is a brother of Francis Outint, widely known golfer.

RING.

To Meet at Minto.
Johnny Sullivan, a local featherweight boxer, will meet in a ten round boxing contest at Minto next Tuesday. Sullivan recently issued a challenge to any featherweight boxer in the Maritime Provinces, and was quickly taken up by the manager of the west side, who has been in training for some time and expects to take on Roy McPherson in a Halifax bout within the next few weeks. Sullivan is very popular with Minto box-

ing fans on account of his aggressive style of fighting. Will (Kid) Burns is in good form at the present, recently winning over Al Coulon, of Boston, in the eighth round of a scheduled ten round bout at Edmondston.

Willard Is Favorite.

New York, April 14.—The first wager of any size to be recorded on the coming bout between Jess Willard and Floyd Johnson at the Yankee Stadium on May 12 is reported by W. L. Darnell & Co., 44 Broad street. Willard was quoted as the favorite at 2 to 1. A bet of \$8,000 against \$1,000 was made. It was said that the fact that Willard is reported to weigh 248 pounds five weeks in advance of the bout has influenced the odds.

Tunney to Hot Springs.

Gene Tunney, the American lightweight champion, left New York a few days ago for Hot Springs, Ark., where he will begin active training for summer campaign. The Greenwich Village boxer contracted an attack of grip soon after winning the title from Harry Greb and has just recovered. He will return to New York in about two weeks.

McTigue Refuses Offer.

New York, April 14.—Mike McTigue announced in a cable yesterday that he had refused an offer of \$75,000 to box Carpenter in London on May 29. He said he would sail for the U. S. early in May. His manager said negotiations were under way for a match between McTigue and Carpenter in the U. S. some time in June.

Announces Training Plans.

Detroit, Mich., April 14.—Jack McAuliffe, Detroit heavyweight who is to meet Luis Firsiroti on May 12, plans to begin training here April 20. Mark Shaughnessy, his manager, has announced. McAuliffe will engage in light workouts here until his departure for the East.

He has fully recovered from a recent attack of influenza and declares he is in better condition now than when he fought Hugh Walker. His weight is 196, only two pounds less than the weight he hopes to make for the Firsiroti bout. McAuliffe's sparring partners.

COMMITTEE IS RECEIVED BY POPE

Pontiff Praises Members for Their Efforts on Behalf of Clean Sports at the Olympic Meet.

Rome, April 14.—The members of the International Olympic Committee were received in audience on Wednesday by Pope Pius, who praised their efforts for clean, moral sports. The Pontiff gave private audience to Baron Pierre de Goubertin, President of the committee, with whom he discussed many phases of the committee's work.

The question whether the nationals of former enemy countries are to be permitted to participate in future Olympic games still remains unsettled, notwithstanding the fact that the committee had it under discussion for two hours this afternoon. Another burning question before the committee was that of the participation of Russia in the games and it was finally decided to refer both to a special committee, which will make its report to the main committee tomorrow.

Baron de Goubertin told the Associated Press that the Russian situation was a very difficult one for the International Committee to handle.

"You see," said Baron de Goubertin, "there are 4,000,000 Russians residing outside Russia. Generally they do not look with favor on the present government in Russia and, therefore, would want to come into the games under their own jurisdiction. This would mean, if Soviet Russia and the Russians abroad were invited to take part in the games, that there would be two Russian flags at the stadium."

The personal invitation of President Masaryk, President of the Czechoslovak Republic, has decided to hold the regular Olympic Congress of 1925 in Prague. Every university in the world will be invited to send a representative to the congress. Likewise as many labor athletic organizations as can be reached will be requested to attend.

JOYOUS RIOT AT EDINBURGH UNIVERSITY

Cambridge, Eng., April 13.—College students in Britain probably carry the sport of "ragging" to further extremes than in any other country. The installation of a former prime minister of the kingdom as chancellor of one of its oldest universities might seem to be a ceremony that would command the respect even of undergraduates. But when David Lloyd George was made chancellor of Edinburgh University a few days ago the whole proceeding was a joyous riot, which the faculty of the institution took as a matter of course.

Another former prime minister, Herbert H. Asquith, made a speech here recently, and the students of this ancient seat of learning "framed" a plot to kidnap him on his way. The plot was foiled, but if Mr. Asquith had been ten times a prime minister the students would not have hesitated to drag him off his train.

Apparently the scheme was to kidnap Mr. Asquith on his way from London. He was to have been motored to Royston and there given a dinner. Referring to this plot in the course of his speech, Mr. Asquith said:

"It is only owing to the grace of Providence or the accident of fortune that I am here tonight. There are tales of false brethren who, unknown to and unsuspected by me, appear to have endangered the journey. Through your vigilance and excellent staff work I escaped them, and am able to be here with you now."
