### Any Style You Like

The same privilege and price as if you paid cash apply to all \$1 down purchases of Glasses.

No limitations whatever.

If you feel the most comfortable and most becoming types made are none too good for you—take them and welcome.

The relief, the eased nerves and stronger sight brought about by Glasses are just part of the bargain. Sharpes flatter themselves that they can manage a mounting that is more than becoming to your features and personality.

Come in any case if just to hear just how near normal your eyes are. That is one thing you cannot decide for yourself and a warning hangs over your head until cleared up by an eye examination.

If you are found to need Glasses, a dollar down and a dollar weekly fixes it up.

been so bad. In Aroostook county, Me., the farmers were getting only 60 cents, he said.

The British market was closed by the embargo, Mr. Hatfield said, and the Cuban market had been glutted by a huge shipment a little over a week ago so that no orders had been taken there for the last week. They were commencing to book a few more now, however.

### Instructor in First Aid Visits Here

A. T. Woolley, first aid instructor of the Canadian National Railways, Atlantic region, was in the city yesterday to meet with the two C. N. R. teams here and with the Saint John police team. The men are preparing for four competitions to be held soon. The first of these is the New Brunswick championship. Dr. G. G. Corbet will conduct the Saint John examinations in connection with this event on March 30. Next will be the Wallace Nesbitt trophy competition, emblematic of the Canadian championship. Third in the list will be one for the Atlantic region of the C. N. R. Last will probably be one for the C. N. R. system championship.

### TO SUPPLY PULPITS.

Presbyterian missionaries have been placed at Glassville and Waseg and students at Selma, Andover, St. Martins, Brayley and Brockway, according to Rev. Dr. James Ross, Halifax, who arrived in the city yesterday en route home after attending a meeting of the church union committee. Dr. Ross reported there had been some word of a possible compromise before he left Toronto.

### CROSS ON SKATES.

Several residents of Kennebecasis Island skated across the river to Rothesay yesterday. They report the ice quite slushy in sections.

### Baby's First Gift

A CARRIAGE is baby's first important possession. See that it is of a design, finish and quality of which you can be justly proud. You can secure this quality, as well as comfort and style, in any Lloyd Loom Woven Baby Carriage.

Spiral weaving is the secret of Lloyd's supremacy in Baby Carriage construction. Exclusive looms weave Lloyd Baby Carriages out of single strands of wicker which leave no short ends, corners or seams to catch clothing or scratch the baby. The bodies are bowl-shaped, roomy and beyond comparison in beauty. They have many other exclusive features.

Ask any representative dealer to show you his Lloyd Baby Carriages. He has been selling them for many years and knows how well they satisfy the needs and purses of Canadian mothers. He has additional confidence and pride in them because they are made in Canada by Canadians.
