THE GREAT CAUSE OF HUMAN MISERY.
We have recently published a new edition of **DR. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, impediments to Marriage, etc resulting from an excess.**
Price, in a sealed envelope, only 6 cents, or two postage stamps.

The celebrated author in this admirable Essay clearly demonstrates, from thirty years successful practice, that alarming consequences may be radically cured, without the dangerous use of inter- nal medicine, or the application of the knife; pointing out a mode of cure at once simple, cer- tain and effectual, by means of which every suf- ferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and man in the land.
