

Representative and Champion of American Art Taste.
PROSPECTUS FOR 1875—EIGHTH YEAR.

THE ALDINE,

THE ART JOURNAL OF AMERICA.
ISSUED MONTHLY.

A MAGNIFICENT CONCEPTION. WONDERFULLY CARRIED OUT.

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures which so invariably attended each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the end of the year. While other publications may claim superior cheapness, as compared with similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competing imitations.

The possession of a complete volume can be depicted the quantity of fine paper and engravings in any other magazine, or number of volumes for the same cost; and then, there is the chromo, besides!

The national feature of THE ALDINE must be taken into narrow scope. True art is cosmopolitan. While THE ALDINE is a strictly American publication, it does not confine itself entirely to the reproduction of native art. Its mission is to cultivate a broad and appreciative art taste, one that will discriminate only on grounds of intrinsic merit. Thus, while placing before the patrons of THE ALDINE, as leading characteristic, the productions of the most noted American artists, attention will always be given to specimens from foreign masters.

The artistic illustration of American scenery, originated with THE ALDINE, is an important feature, and its magnificent plates are of a size more appropriate to the satisfactory treatment of details than can be afforded by any inferior paper. The judicious interpretation of landscape, marine, figure, and animal subjects, sustain an unabated interest, impossible where the scope of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful miscellany, worthy of the artistic features, with only such technical descriptions as do not interfere with the popular interest of the work.

PREMIUM FOR 1875.
Every subscriber for 1875 will receive a beautiful portrait, in all colors, of the same size as the dog whose picture in a former issue attracted so much attention.

"MAN'S UNSELFISH FRIEND"
will be selected in every home. Everybody loves such a dog, and the portrait is executed so true to the life, that it seems the veritable presence of the animal itself.

Besides the chromo, every advance subscriber to THE ALDINE for 1875 is constituted a member, and entitled to all the privileges of THE ALDINE ART UNION.

The Union owns the originals of all THE ALDINE pictures, which, with other paintings and engravings, are to be distributed among the members. To every series of 5,000 subscribers, 100 different pieces, valued at over \$5,000 are distributed as soon as the series is full, and the awards of each series as made are to be published in the next succeeding issue of THE ALDINE. This feature only applies to subscribers who pay for one year in advance. For particulars in circular sent on application enclosing a stamp.

ONE SUBSCRIPTION ENTITLING TO THE ALDINE ONE YEAR, THE CHROMO AND THE ART UNION.
50 per annum in advance.

(No charge for postage.)
SPECIMEN COPIES OF THE ALDINE, 50 CENTS.

THE ALDINE will, hereafter, be obtained solely by subscription. There will be no reduced or single rates; each subscription must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificate is given, bearing the fac simile signature of James Sutton, President.

CANVASSERS WANTED.
Any person wishing to act permanently as a local canvasser will receive full and prompt information by applying to

THE ALDINE COMPANY,
20 Maiden Lane, New York.

Dr. J. Walker's California Vinegar Bitters

Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Walker's Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect renovator and invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Walker's Bitters in relieving the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or inflammation of the Liver and Visceral Organs, in Bilious Disorders.

If men will enjoy good health, let them use WALKER'S BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

No Person can take these Bitters according to directions, and remain long unwell, provided their bowels are not deranged by mineral poisons or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim WALKER'S BITTERS the most wonderful invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Kentucky, Tennessee, Arkansas, Louisiana, and other States, and in the tropics, are cured by their use.

Dr. J. Walker's Bitters, as they will speedily remove the bile-colored vomit matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulder, Congestion of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offerings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy description.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Scars, Etc., etc. In these, as in all other constitutional Diseases, WALKER'S BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases. - Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S BITTERS occasionally.

For Skin Diseases, Eruptions, Itches, Salt Rheum, Eczema, Scabies, Pimples, Furuncles, Boils, Carbuncles, Ringworms, Head-Scalp, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lodging in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no cathartic, will force the system from within like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Bitters remove all obstructions, and restore the system to its normal state. In all cases of general debility, assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile, and favor its removal. For this purpose, use WALKER'S BITTERS.

Change the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; change it when it is foul; your feelings will tell you this. Keep the blood pure, and the health of the system will follow.

WALKER'S BITTERS will follow.

WALKER'S BITTERS will follow.
