HERE is something mighty comforting and satisfying about "OLD CHUM" Tobacco; a sort of soothing resthings that nine smokers have been to associate restfulness that pipe smokers have come to associate

"OLD CHUM" is an old, old chum with all pipe smokers.

It has the perfect tobacco taste—the mellow richness-

and men know that they can be chummy with "OLD CHUM" all day long and that the "good night pipeful" will be as sweet and cool as the one enjoyed just after breakfast.

For years and years "OLD CHUM" has been Canada's favourite pipe tobacco and today is more popular than ever.

this kind by those who, while still professing membership in the Interfiational Trades Ution movement, sought only its destruction.

The following extract from the official report of the final and tenth convention of the B. C. Federation of Labor on March 8, 1976, states clearly the views of the O. B. U.t.

"The Winnipeg situation was brought about through the attempt of the Government to stamp out the O.B.U. by the arrest of the spokesmen of that movement, but it has signally failed."

Comment on our part as to the position by the men arrested would be superfusuus in face of this official declaration.

Comment on our part as to the position by the men arrested would be superfluous in face of this official declaration.

On the third day of the convention, decision was reached to dissolve the Federation on the grounds that "It had fulfilled its mission in uniting the working class in a more intelligent organization, known as the O.B.U. The line of cleavage is known definitely and they the International's) are now in a position where we can deal with them in a thorough manner.

This Federa is now in a position where we can deal with them in a thorough manner.

This Federa is now in a position where we can deal with them in a thorough manner.

This Federa is now in a position of the previous propaganda cartied on, which no doubt is the dealer of those still remaining within our movement and pressing for changes which could only bring about similar disruption.

A declaration, issued last week by the Quebec Independent Socialist Party, says:

1. We, members of Q.I.S.P., believe that political power, and that there can be no stable foundation for a community ignoring this principle.

2. We, therefore, propose the abolition of the Stustic and House of Communos, and the formation of Federal, Provincial and Municipal Governing Beddies elected by universal male and female suffrage on an industrial basis, on the broad outlines of the Russian Soviet Republic. We propose that the people should acquire and work all railways, telephones, mines, harbors, steamships, electric power plants and control the production and distribution of the necessities of life. We would seek to abolish the Artificial national differences created by harred and jealousy, by giving complete political and economic rights to all unnaturalized alless who state their intention to reside in Canada. We demand the release of the Winnipeg strike leaders and all edited the political prisoners, together with compessation for wongful imprisonent.

As regards international policy, we advocate the self-determination

'HEIRLOOM' PLATE

Only a sharp blade gives a perfect shave

An unstropped blade cannot give as good a

shave today as it did

yesterday and must soon be discarded. The exclusive self-stroping feature of the AutoStrop Razor ensures from each blade as perfect a shave

each day as the day before. It is as easy to clean as to strop-nothing to unscrew or take apart.

Any dealer will demon-strate the AutoStrop Razor to you, guarantee satisfaction, or refund of purchase

Auto Strop Razor -sharpens itself

Only \$5.00—complete with strop—twelve blades in an attractive assortment of cases to suit any purpose.

AutoStrop Safety Razor Co., Limited

The varied Heirloom designs in both flat-ware and holloware are examples of the painstaking care and attention given to the minutest details by
