

Advertisements

Attention is called to the Advertisements in the preceding pages.

The Firms, Establishments and Individuals represented, are first class and reliable, and Members of the Association when purchasing Surveying or Engineering Instruments, Drafting Materials, Drawing Papers, Outfits and Supplies generally, are specially requested to deal with those who take advantage of the pages of the Association Register as an Advertising Medium.

It may be mentioned that most of the Manufacturers advertising with us have furnished the Secretary, Member, with a copy of their catalogues and price lists, containing the full particulars of their manufactures and wares, and that any Member may obtain upon application either in the Form of "Request for Catalogue" or
