Facts Relating to the Election Law.

Enquiries in reference to the working of the New Election Law are now quite frequently made, and, for the information of those of our readers ge erally who have not studied the subject for themselves, we present the folowing in reference to the leading features for their guidance.

HOURS FOR VOTING.

The Poll in each District is to open at nine o'clock a.m., and close at five o'clock in PERSONS QUALIFIED TO VOTE.

A Deputy Returning Officer shall preside at each Poll, who shall be provided with a List of the Electors of the Polling District, persons qualified to vote for Members of Assembly to be also qualified to vote for Dominion Candidates.

"The only persons (qualified as above to vote) who are disqualified under the Dominion Act. are "Judges of any Court now existing, or to be hereafter created, whose Polls clerk, who shall record the name

of each voter as he presents himself, setting against his name a number indicating the order in which he appears to vote.

PLACE WHERE VOTING IS DONE.

The room in which the voting takes place is provided with one or two compartments made of boards, or by screens, so that each Voter may, without interference or interruption, mark his ballot.

without a consider the votes are given, during the whole time the Polling is color on the Deputy Returning Officer and Poll Clerk, the Candidates and their Agents (not exceeding, however, two Agents for each candidate) may be present in the room where the votes are given, during the whole time the Poll remains open. No other persons except the above named shall remain in the room while the Polling

No other persons except the above named shall remain in the room while the Polling is going on.

RLECTORS MUST VOTE, EACH IN HIS OWN DISTRICT.

Each elector shall vote at the Polling Station of the Polling District in which he is qualified to vote and no other. The Returning Officer, however, on the request of any Elector entitled to vote at one of the Polling Stations, who shall be appointed Deputy Returning Officer or Poll Clerk, or who shall be named the Agent of any of the candidates for a Polling Station other than the one where he is entitled to vote, shall give to such elector a Certificate that such Deputy Returning Officer, Poll Clerk, or Agent is entitled to vote at such election at the Polling Station where such elector shall be stationed during the Polling day, and on the production of such Certificate such Deputy Returning Officer, Poll Clerk or Agent shall have the right to vote at the Polling Station where he shall be placed during the Polling day, instead of at the Polling Station of the Polling District where he would otherwise have been entitled to vote:—But no such Certificate shall entitle any such elector to vote at such Polling Station unless he has been actually engaged as such Deputy Returning Officer, Poll Clerk, or Agent during the day of Polling.

MODE OF VOTING.

Each Elector, being introduced, one at a time for each compartment, into the room where the Poll is held, shall declare his name, surname, and addition [that is occupation or other distinctive fact by which he may be properly identified. Editors for the Polling District of such Polling Station, he shall receive from the Deputy Returning Officer a Ballot paper, on the back of which such Deputy Returning Officer shall have previously put his initials, so placed that when the Ballot is folded they can be seen without opening it; and on the counterfoil to which he shall have placed a number corresponding to that opposite the Voter's name on the Voters' List.

Provided that such Elector, if required by the Deputy Returning Of

Provided that such Elector, if required by the Deputy Returning Officer, the Poll Clerk, one of the candidates or one of their agents, or by any elector present, shall, before receiving his Ballot, take the Oath or oaths of qualification required by the laws of the Province, from a voter at elections for the Assembly, the words "House of Commons of Camada" being, in such case, substituted for "House of Assembly," which Oath the Deputy Returning Officer or Poll Clerk is entitled to administer.

The elector, on receiving the ballot paper shall forthwith proceed into one of the compartments of the Polling Station and there mark his Ballot paper, making a cross with a pencil on any part of the Ballot paper within the division containing the name of the candidate for whom he intends to vote; and shall then fold of the held paper so that the initials on the back can be seen without opening it, and hand it to the Deputy Returning Officer who shall, without unfolding it, ascertian by examining his initials and the number upon the counterfoil that it is the same that he furnished to the Elector, and shall first detach and destroy the counterfoil, and shall then immediately, and in presence of the Elector, place the Ballot paper in the Ballot Box.

We herewith present our readers with a fac-simile of the Ballot to be used in Northumberland.

Election for the Electoral District of Northumberland, 1878 MITCHELL.

Peter Mitchell, City of Montreal, Gentleman.

SNOWBALL.

Jabez Bunting Snowball, Chatham, Merchant,

The cross within the space occupied by Mr. Snowball's name indicates that the Vote has marked his ballot for that gentleman. Any voter desiring to vote for Mr. Mit. chell will, of course, not make the cross in the space in which it is shown above. Should the voter be unable to read, or from any other cause be unable to understand how to mark the Ballot, the Deputy Returning Officer and the representatives, who have previously been sworn to secrecy, will retire with the voter, who will then be privately asked for whom he wishes to vote, and the Deputy Returning Officer will mark, in the presence of the representatives, the Ballot as designated by the Voter. The voter on returning to the outer room, will present his Ballot to the presiding officer who will tear off and destroy the counterfoil and place the Ballot in the box. Our friends who know voters who may not be able to preparely understand the

cer who will tear off and destroy the counterfoil and place the Ballot in the box.

Our friends who know voters who may not be able to properly understand the marking of the Ballot might cut the above out and use it for the purpose of instructing such Voters. That would render the assistance of the officers unnecessary.

SECRECY TO BE KEPT UNDER PENALTIES.

No elector shall be allowed to take his Ballot paper out of the Polling Station, or (except in cases of persons who through incapacity must be assisted as above in making the Ballot) to show it when marked to any person so as to allow the name of the candidate for whom he votes to be known, under a penalty of two hundred dollars; and no person shall directly or indirectly induce, or endeavor to induce any voter to show his Ballot paper after he has marked it, under a penalty of two hundred dollars for so doing and for each case of such offence.

COUNTING THE BALLOTS.

for so doing and for each case of such offence.

COUNTING THE BALLOTS.

Immediately on the close of the Poll the Deputy Returning Officer shall, in the presence of the Poll Clerk and the Candidates or their Agents, and, at least, three Electors, open the Ballot Box and proceed to count the Votes given for each Candidate. In doing so he shall reject all Ballot papers which have not been supplied by the Deputy Returning Officer, all those by which votes have been given for more Candidates than are to be elected and all those upon which there is any writing or mark by which the Voter could be identified.

The good Ballot papers, being counted, a proper list shall be made of the number of votes given to each Candidate and the good and rejected Ballots made up in separate packets, endorsed and replaced in the Ballot Box, which shall be locked, to be sent to the Returning Officer. Each Candidate or his Agent may obtain from the Deputy Returning Officers certificates of the voting at each Polling Station.

Stringent provisions are made for the maintenance of order at and in the vicinity of the Poll.

Bar rooms and Taverns are to be closed on Polling day.

TO THE FARMERS OF MIRAMICHI. We have been Manufacturing IRON FRAME MOWERS

or the last four years, and are now offering to the BEST MOWER, BEST MOWER,
ombining greater 'excellence of méchanical similicity together with greater durability and entire seliability for all the requirements of the field, than my other Mower estant.—In construction they are similar to the celebrated Walter A. Wood's from Frame Mower, and the Richardson Buckeys, both American Machines. Of the former there are over 90,000 in use, and the extraordinary number of 20,000 were manufactured and sold last senson, by the Wood Company of United States. We have ver 500 of our manufacture now in use, every one of which for exceptions) stands as a menument of the grand and unprecedented success of home manufacture and our enterprise. A list of our Agents in this section of the Province will be found appended, and farmers are requested to ask information of them relative to our Mowers in use in their respective localities, which will establish beyond doubt their unquesti-nable superiority over my other mower to be had in our majes.

The facility of procuring all parts of pieces with in a nominal length of itm emust show beyond the shadow of a doubt the claims such an enterprise has upon the farmers of the Maritim Profession. For the coming harvest of 1877 we will manufacture LARGELY in excess of our numbers of last season, and trust that our growing enterprise may find such inducements held out to it as will be commensurate with its merits. Let it be remembered we have no hesitation at all times, in entering into a friendly competition in the field with any other.

all times, in entering into a friendly comperction in the field with any other machine in our market. WE GUARANTEE OUR MOWERS TO BE INFE RIOR TO NONE. Farmers would do well to enquire prices and terms before purchasing else where. AGENTS:
