Gillispie and Michael Ryan, and on the 29th he served papers on Thos. F. Gillispie and Michael Ryan, and on the 29th he served papers on Thos. F. Gillispie and Michael Ryan, and on the 29th he served paper should cause the "Descent of Man" from his high estate to that of the horse or the ass, because a few deals are laid transverse one abot at. The Sergeant was summoned to his door at night but went to an upper window at which the shot was first add of longitudinally. To the redit of the late street commissioner of Chatham it may be said on the anti-hot in one arm when ascending a loft where the wonld-be murderers were conceald. Meantime the Police Magistrate had been arrested.

Regatta.

Startling Attempts at Murder.

A Sergeant of Police and the Police Magistrate of Fredericton have both been and so for a night but went to an upper window at which the shot was first may be said of host in one arm when ascending a loft where the wonld-be murderers were conceald. Meantime the Police Magistrate had been arrested.

Regatta.

Startling Attempts at Murder.

A Sergeant of Police and the Police Magistrate of Fredericton have both been and the police of Chatham it may be said of he longitudinal plan and in one place the present one has followed by almost everybody and the suppression of the license was created and he received a load of that in one arm when ascending a loft where the wonld-be murderers were conceald. Meantime the Police Magistrate had been arrested.

Regatta.

We are glad to learn that arrangements for a Miramichi Regatta, to come off about the wonld be event is a settled fact. The Regatta and the cown in the town. There seemed to be no attempt and of the part of either the ass, because a few deals are learned to mourful occurrences in the memory of exherten the part of either the call effort on the part of either the call efforts on the part of either the call effort on the part of either the call effort on the part of either the call efforts on the part of either the call efforts on the part of either the call effor

cepting the matter of fares,) has been withdrawn, and the "Clyde," a much smaller boat—very slow, and looked upon by Quebec people as unreliable in other respects, has been put upon this route.

Wash-Day requisities are advertised by Mr. Marquis, tinsmith, who seems to parte no effort to keep up with the re
cepting the matter of fares,) has been does not be matter of fares,) has been more than local celebrity to participate therein. The course selected in the community, to meet the requirements of their old customers, although several of this class abandoned the trade several of this class and also did the rest.

The Hon. Thos. McGreevy, one of the M.

P.'s for Quebec, is President of the community, to meet the requirements of the course detend on the observed on the clouded the trade saltoned.

Week or two ago matters were in this position, —In one part o Mr. Marquis, tinsmith, who seems to spare no effort to keep up with the requirements of the times.

St. John's Church.—The Rev. Arch. McDougul, from Novs Socia, will preach administration. The fares, since Mr. McGreevy is a particular friend of the person to be served in the McGreevy is Church, on Sabbath, 6th August, morning and evening.

St. John's Church.—The R. Choria advertised to take place at Newcastle on Tuesday next has been postponed for two or three weeks: due notice of day and or three weeks: due notice of day and or three weeks: due notice of day and of the part of the times.

In Mary's Picnic.—The R. Choria advertised to take place at Newcastle on Tuesday next has been postponed for two or three weeks: due notice of day and or three weeks: due notice of day and of the parties of the times.

In Mary's Picnic.—The R. Choria advertised to take place at Newcastle on Tuesday next has been postponed for two or three weeks: due notice of day and or three weeks: due notice of the time the two was not one day the three three three three to worth or dies. The three three three three three three three to collist the three three to collist three three to collist three three to collidate th

has the highway—an excellent uniting along the river bank with road—running along the river bank with in easy sight of nearly the whole course. Bushville is, therefore, an excellent selection, which will meet with general approval.

The list of races appears in the advertisement in another column. The Prizes will probably, be about the same as those will probably about the same as those will be about the course.

Reexamined by Mr. Tweedie—Examined the copies sufficiently to satisfy himself the copies sufficientl THE "New Era," commencing to-day against another in the same branch of last year. They will be larger, if cities as against another in the same branch of last year. They will be larger, if cities as against another in the same branch of last year. They will be larger, if cities as against another in the same branch of last year. They will be larger, if cities are larger, if cities as against another in the same branch of last year. They will be larger, if cities are larger, if ci as against another in the same branch of the fishing business.

Why does the World object to the down-river fishermen being relieved of each of the collectors. We understand that the down-river fishermen being relieved of gestions from interested parties in reference of the collectors. We understand that the defendants and Mr. R. B. Adams for others.

CINGALESE.—A name well known in Tweedie appeared as prosecuting counsel and Mr. R. A. Lawlor for some of the which restores grey hair to its natural color by a few weeks use. Sold at 50 others. down-river fishermen being relieved of this tax when the last detailed returns gestions from interested parties in reference to the races or other arrangements. The first case called was that of Nelson Chatham.

de Grass; paid them all their fees except Carter and he wouldn't take his. Couldn't swear that any of the papers served were exact copies of the subpens or not; only knew by what was written on the back;

At four o'clock in the afternoon, busi-

arrangements worked well and the occasion was heartily enjoyed.

POSTAL ACCOMMODATION(?)—Under the old regulations publishers were allowed to mail papers to subscribers in the town in which the paper is printed, at the rate of one cent per pound. These papers are now designated as drop-newspapers, and must be prepaid by a stamp, one half cent and the prepaid by a stamp, one half cent and the prepaid by a stamp, one half cent and the prepaid by a stamp, one half cent and policy were in animal many the prepaid by a stamp, one half cent and policy were in animal many the prepaid by a stamp, one half cent and policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by everyone therein, the reduction of the same policy were adopted by eve

the falls. The party were there about a week during which inthe they secured were sixty almon and griles. Means, met with a severe accident at Bathurst station on Friday neight, 18th all. Early almon and griles. Means were secured and a bathurst station on Friday neight, 18th all. Early almon and griles. R R. CALL EARS'FOR THE MILLION Foo Choo's Balsam of Shark's Oil Positively Restores the Hearing, and is the Only Absolute Cure for Deafness Known. This Oil is abstracted from reculiar species of mall White Shark, caught in the Yellow Sea, nown as Carchardook Ronneletti. Every Chiese fisherman knows it. Its virtues as a restoraive of hearing were discovered by a Buddhist Triest about the year 1410. Its curve were so nucrous and MANY SO SERMINGLY MERCULOUS, that he remely was officially, proclaimed over the

Hear What the Deaf Say! It has performed a miracle in my case
I have no unearthly noises in my head and hear I have been greatly benefited.

My Deafness helped a great deal—think another ottle will cure me.
