ST. JOHN'S MR. DOOLEY.
On Necessity is the Mother of Con-
fession.

'Mornin' Dooley. You're lookin' good
natured. What's up?
'An' why wouldn't I be good natured?
Divil a bit o' cold I feel, whin it's
twenty below zero. I've a sick wife,
do ye mind—an' two smart lads at the
house. An' ever since his honor—God
bless 'im for a frind to the poor—told
me that annybody stalin' what was a
necessity was no thafe, the lads has
been busy. Because, Hooley, with a
sick wife I'm in a state of necessity. So
the lads goes out an' Hooley, if you
saw me coal bin it'd do yer heart good.
I'll back thim lads agin annything—
barrin' the government—to confiscate
coal. Not state it, mind you—for his
honor says so. It's a blessing, Hooley,
to have a sick wife. If your' wife is
well—go home an' bate her—an' thim
lay in yer coal. Or git sick yerself—
or lazy. It's all one, when ye want
coal—or annything else. Necessity is
the mother of confession.'

PASTOR FOR BRUSSELS STREET.

The pulpit committee of Brussels
street Baptist church have not yet
fixed upon a successor to Rev. H. F.
Warins. Among the possibilities is
Rev. Wm. Dyas, who supplied with
great acceptance in Leinster street
Baptist church last summer. Mr. Dyas
is a forceful speaker and a hard and
systematic worker. Brussels street
would go far before it would get a
better man.

POLICE COURT.

Two drunks, both of them sailors off
the Lake Champlain were fined this
morning. The men were loaded for
bears within a very few hours after the

lost while in quarantine on the last
trip of their steamer to St. John. The
magistrate decided to isolate them for
a period of probation. Frank Hol-
loran, who had been most exposed to the
effects of liquor, being sent into
jail quarantine for twenty days and
Thomas Gogel for ten days.

ANOTHER DEAD LOCK?

There is a story afloat in the city
today to the effect that the warden of
Dorchester Penitentiary has refused to
receive John McGlone, sentenced for
stealing rubber from a Jew, on the
ground that the prisoner would be
contaminated by the influence of his
associates in the penitentiary. This
story cannot be verified and Mayor
White has not spoken on the subject.
It is rumored that the warden has
given as his opinion that Judges
Forbes should have sent McGlone
either to the reformatory or one of
the homes.
No further developments are expected
in the next few days.

though quiet wedding last evening
when Miss Flossie May VanBuren,
daughter of William VanBuren,
of Cariboo, Maine, was united in mar-
riage to Arthur Sinclair Belyea, of M.
R. & A's. The ceremony was per-
formed by Rev. P. Owen Jones, in the
presence of quite a number of friends
of the parties.

Miss VanBuren wore a costume of
grey suit. She was attended by
Miss Alice G. Belyea, who wore a dress
of blue cloth.

dence of the bride's parents. There
were present the immediate friends
and relatives of the young couple, who
were unattended. After the nuptials,
a wedding luncheon was served.
Among the many gifts received was
a parlor lamp from the bride's asso-
ciates in Victoria street Baptist church
and a handsome rocking chair from

Watson's grocery establishment, Doug-
las avenue. Mr. and Mrs. Keirstead

THE TRAINS.

The Montreal express, due here at
11.50 a. m. today, did not leave Sher-
brooke until after ten o'clock. She-
brooke was delayed by an accident at Sher-
brooke, where an engine went off the
track. As a result the express will not
reach St. John until between nine and
ten o'clock tonight and the mail will
not be delivered until tomorrow morn-
ing.

C. P. R. ACCIDENT.

A C. P. R. freight train, westbound,
and consisting chiefly of empty cars,
met with an accident between Ennis-
killen and Gaspereau yesterday after-
noon through the breaking of a coup-
ling on a grade, the rear half of the
train broke away. The front section
was equipped with air brakes which
automatically stopped the train and the
cars behind crashed into it. One car
was broken in two and a couple of
others damaged. A wrecking train
from McAdam cleared the track.

FAIRVILLE NEWS.

The I. O. G. T. Lodge, No. 100, Sur-
rendre, is holding a bazaar every night this
week, to raise funds for the purpose
of furnishing their hall on Main street.
It is being well patronized.

Miss Donaldson, who has been or-
ganist in the Methodist church, has re-
signed in order to devote more of her
time to music teaching. Harry Turner
has accepted the position. He begins
his services on Sunday next, when
Rev. Dr. Sprague will preach in the
morning and the pastor at night.

It is reported that two well known
young men, when under the influence
of liquor on Sunday night, broke into
the Salvation Army barracks, the of-
ficers' department, and so alarmed the
captain and lieutenant, both females,
that they had to run, half dressed and
bootless, to David Reid's, on Spur
Cove road. The entrance was made
about 12.30 Sunday night.

STARTS WITH BAND PARADE.

To the stirring notes of a brass band
the policemen will march from the
head of King street tomorrow night
to Victoria Park, where the doors will
be opened at 7 o'clock to allow of every
body securing a good place to see the
programme of sports. Now that the
rain has passed over, everything in-
dicates the grand tournament will be
a record-breaker in attendance and in-
terest. Entries are piling in from Vic-
toria by telephone, letter and word-of-
mouth—over one hundred having sig-
nified their intention of participating
in the events so far. Fen Parker and
Len Daley will skate a match race,
which is, of course, the chief item of
interest to the "dead game" sporting
fraternity. It will be Parker's first ap-
pearance this year, and as he is in fine
form and all fettle for his Montreal
races, his friends expect big things of
him. So do Daley's. The keenest riv-
ality exists between these two flyers,
as Parker's first match-race defeat was
administered by his friend, Len Daley.

TONIGHT'S ATTRACTION.

The world famed American Biograph
(moving pictures) begin a three night
with Friday and Saturday matinees at
the York Theatre this evening. The
pictures which are said to be the best
now touring will consist of military and
naval reviews; crowned heads of Eur-
ope and their movements; horse races
at the great English Derby and Morris
Park, N. J.

The Halifax Chronicle says of the
pictures:—"Patrons of the Academy of
Music this last week have asked the
question repeatedly, 'Why are the Bio-
graph pictures so large, clear, steady,
and the entire absence of the disagree-
able flicker, that we find in other
machines?' The answer is simply told.
The Biograph is a moving picture ma-
chine, not a toy, weighs 1,400 pounds
and requires an electric motor to drive
it. The pictures pass before the lens
at the rate of thirty per second or 1,800
per minute, and every movement is
smooth and perfect detail."

THIRTY YEARS AGO TODAY.

Revs. Bennett, Houston and McKay
appealed to the public for \$1,000 for
the building of the church at Grand Falls.
John Gribbon, a prisoner in the peni-
tentiary here, escaped from that insti-
tution in the sleigh in which bread was
delivered by Mitchell & McKee.

James Orr, of Lunenburg, was killed
on the track between Fairville and Mc-
Carthy's grounds by the Bangor train.
The large building on Strait Shore
road owned by D. V. Roberts, was de-
stroyed by fire.

The W. J. Starkey sailed for Cape
Hayden with a novel cargo consisting
of twenty-three complete wooden
buildings ready for erection whenever
landed.

SLIGHT FIRE IN NORTH END.

A still alarm was sent in to No. 5
station this morning for a fire in Capt.
C. S. Phipps' house, 23 Adelaide street.
The blaze which was caused by the
boiling over of a pot of tar on the
kitchen stove was put out before much
damage had been done to the
premises.

Mr. Justice Landry returned to his
home in Dorchester this morning.

A man by the name of Henry Butler,
employed in the Portland Rolling mills,
had a part of one finger crushed off
this afternoon by having it caught be-
tween two heavy metal plates. Mr.
Butler lives on Mill street.
